SUMMER 2026

Scholarship Winners

The 46th Annual Meeting is when we announced our scholarship winners. Our high school senior winner is Olivia Black from Aberdeen Central High School who plans on attending Northern State University, while the post-secondary winner is Tammy Sims who attends Northern State. The graduate student winner is Anna Moser who attends Kansas State University College of Veterinary Medicine. Cal Nygaard is the Educator winner and is part of the Aberdeen Catholic School System.

Healthcare Plus is a proud co-sponsor of the annual Brittany Holzer Memorial Scholarship that was awarded this spring to Roncalli High School senior, Morgan Helms. This scholarship is given annually in memory of our dear friend and coworker, Brittany, in conjunction with her family and additional donors. The Holzer Family chooses a Roncalli High School senior who exemplifies Brittany's spirit.

Three board terms expired, and those three incumbents chose to run again, unopposed. Duly elected to three-year terms were Scott Lunzman, Joe Black and Joy Mammenga. After reorganization, our current board consists of Scott Lunzman, Chair, Joe Black, Vice-Chair, Helen Torrence, Secretary, Marne Fetherhuff, Treasurer. I Love My Credit Union Day – July 31st

You will see media items from credit unions across the world meant to bring the credit union movement together on a single day with the purpose of inspiring authentic and high-energy conversation about why we love our credit unions. To quote Elizabeth Barrett Browning, “How do I love thee?” We hope you can count numerous ways!

We wish the best to Nicole Crawford!

“Thank you!”, doesn’t say enough for the years that she poured her heart and soul into the credit union and helping the credit union members. Nicole has been our VP of Lending, having started with the credit union in 2000. The credit union would not be where we are today without her leadership, specifically in the lending area. Nicole will be finishing her tenure here in July and we are working on a replacement. While they won’t be Nicole, we will do our best to find someone who understands the “People Helping People” philosophy and is a complement to our credit union and staff.

Staff Changes

We welcomed Ben Althoff to our team as an MSR in May. Ben is originally from Watertown, having recently graduated from Northern State with a degree in Banking and Financial Services. He also played baseball for NSU. Some of his favorite free time activities are golfing, hunting, fishing and going to the lake with family and friends. Welcome Ben!

Lynn Hegge served as our MSR Supervisor for several years. Lynn has moved on from the credit union, and we wish her good luck in her new position.
