

# Welcome to *Fc* Centripetal

A Corporate Innovation & Venture Program connecting enterprise IT leaders with transformative founders to directly shape and scale the solutions the enterprise needs.

We ***accelerate innovation***  
where ***enterprise*** meets  
***ambition.***

## About

Fc connects early-stage founders, enterprise IT leaders, and investors to validate, fund, and scale enterprise-ready technologies through a demand-led, data-driven model.

## Mission

Fund and propel pre-seed to Series A enterprise technology companies through rapid validation, mentorship, and aligned investment.

## Model

***Pull, not Push*** — enterprise leaders self-select the founders and solutions they believe in, engaging as mentors, design partners, and future customers.

# Meet *The Fc Team*

## Thomas DelVecchio

- Co-founded Fc Centripetal to scale enterprise tech validation and CIO engagement.
- Previously built ETR into a \$10M+ ARR research platform with elite retention.
- Built data-driven intelligence platforms and a 3,000+ CIO/CTO/CISO network signaling enterprise demand shifts.

Founding Partner

- Expert in Enterprise Security, Risk Management, and Compliance

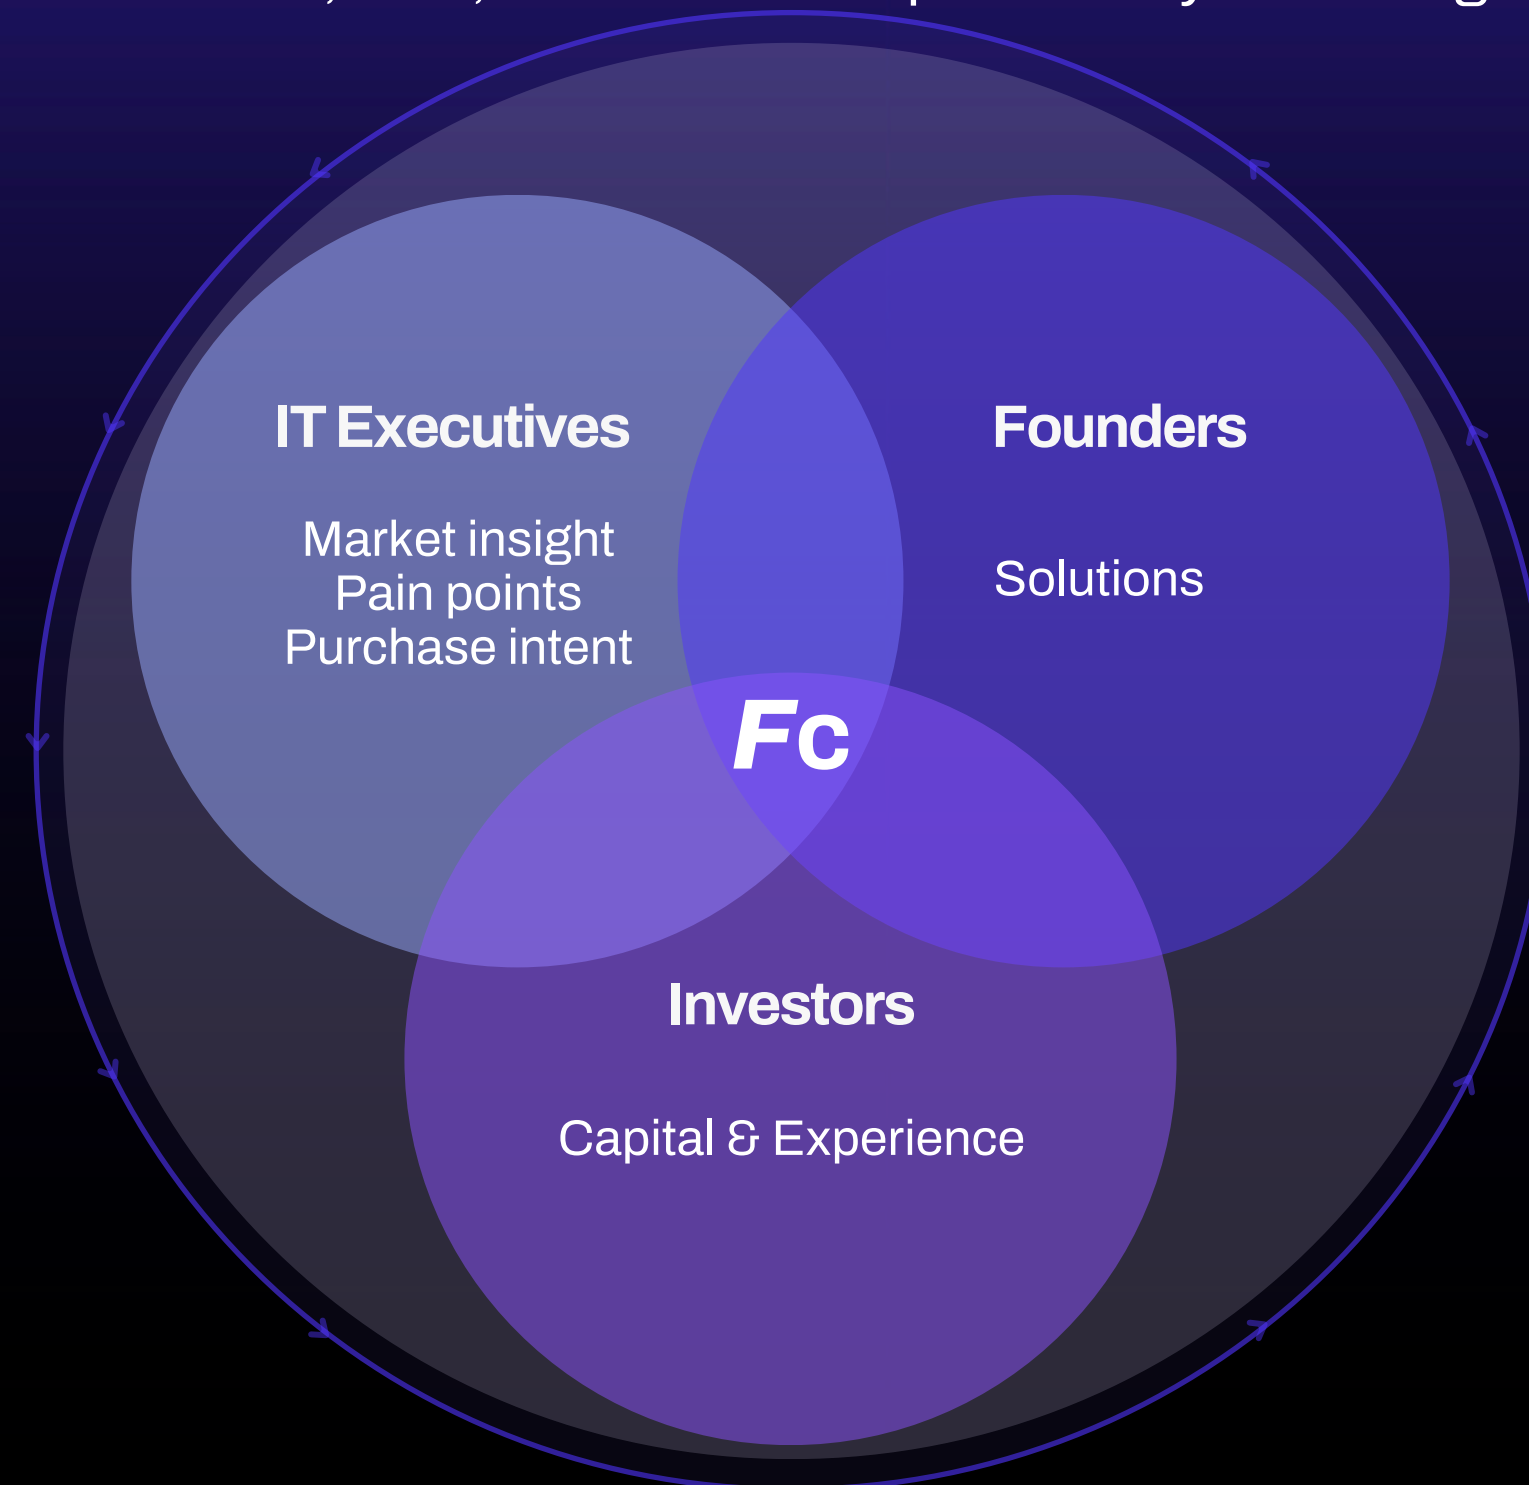

CEO, Trinity Security

# What **Fc** Centripetal Does

Fc **connects** early-stage **founders**, enterprise **IT leaders**, and **investors** to validate, fund, and scale enterprise-ready technologies.

Together, we **accelerate** what matters.

# How *You'll Contribute*

## ***Rapid Reviews***

10-minute ***assessments*** of emerging technologies. Your input helps them identify and validate the next wave of enterprise innovation.

## ***Fc Spotlight Series***

Monthly, ***30–45 minute virtual discussions*** with founders and peers across the network. Fc Spotlight session showcase top startups and shared enterprise challenges.

## ***Mentorship***

Mentorship is ***optional***, ranging from light, ad hoc guidance to deeper, direct mentorship with a startup for ***direct equity***.

# How *You'll Benefit*

## ***Own A Stake in Fc***

Your perspective and engagement are ***rewarded with equity*** exposure across the Fc portfolio—aligning your insight with long-term enterprise outcomes.

## ***Mentor for Direct Equity***

Engage selectively with founders you believe in—offering guidance, serving as a design partner, or mentoring directly in exchange for company-specific equity.

## ***Stay Ahead of Emerging Tech***

See enterprise-grade solutions early—before broad adoption—so you can influence direction, solve real problems, and stay ahead of the curve.

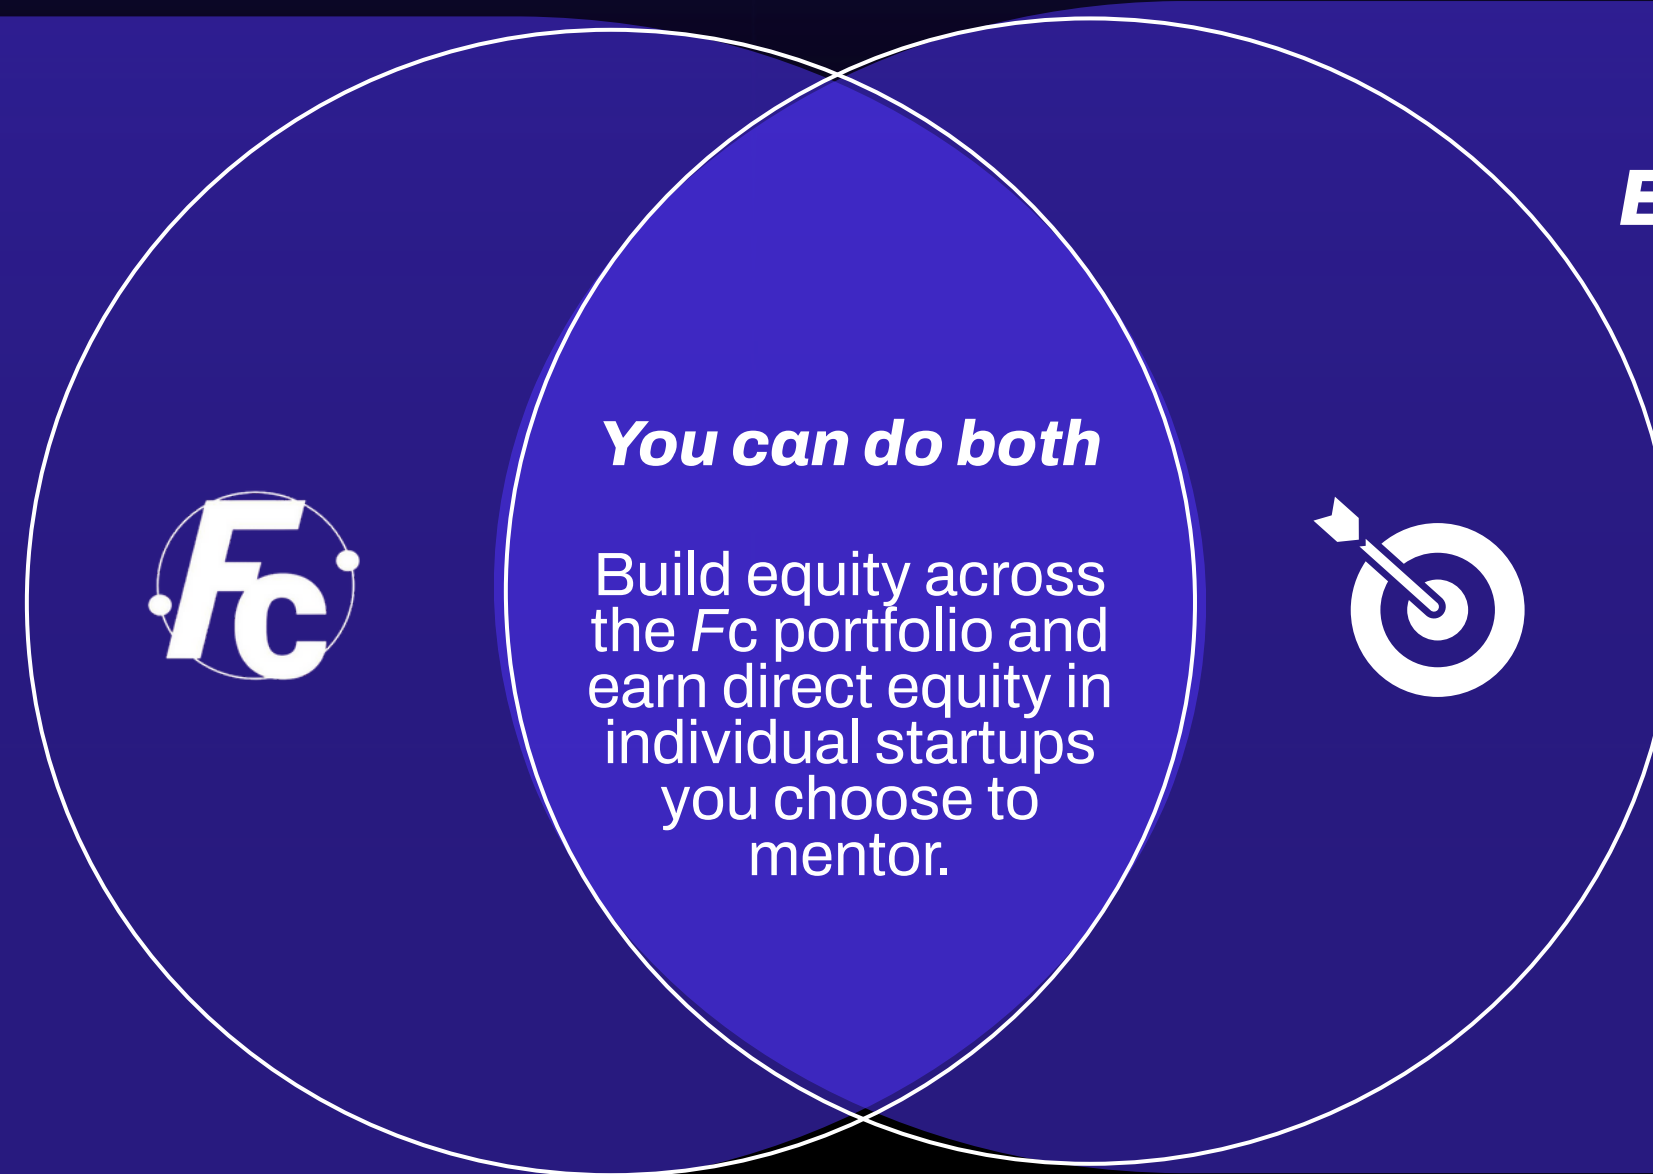

# What *You'll Receive*

## **Equity** in *Fc* Portfolio

Participate in *Fc* and earn equity exposure across the *Fc* portfolio providing diversified upside aligned with the companies and problems you support.

Granted through a simple, standardized engagement framework —no cash investment required.

[Learn More](#)

## **Equity** through Mentorship

Choose to mentor founders you believe in and earn direct equity in those specific companies.

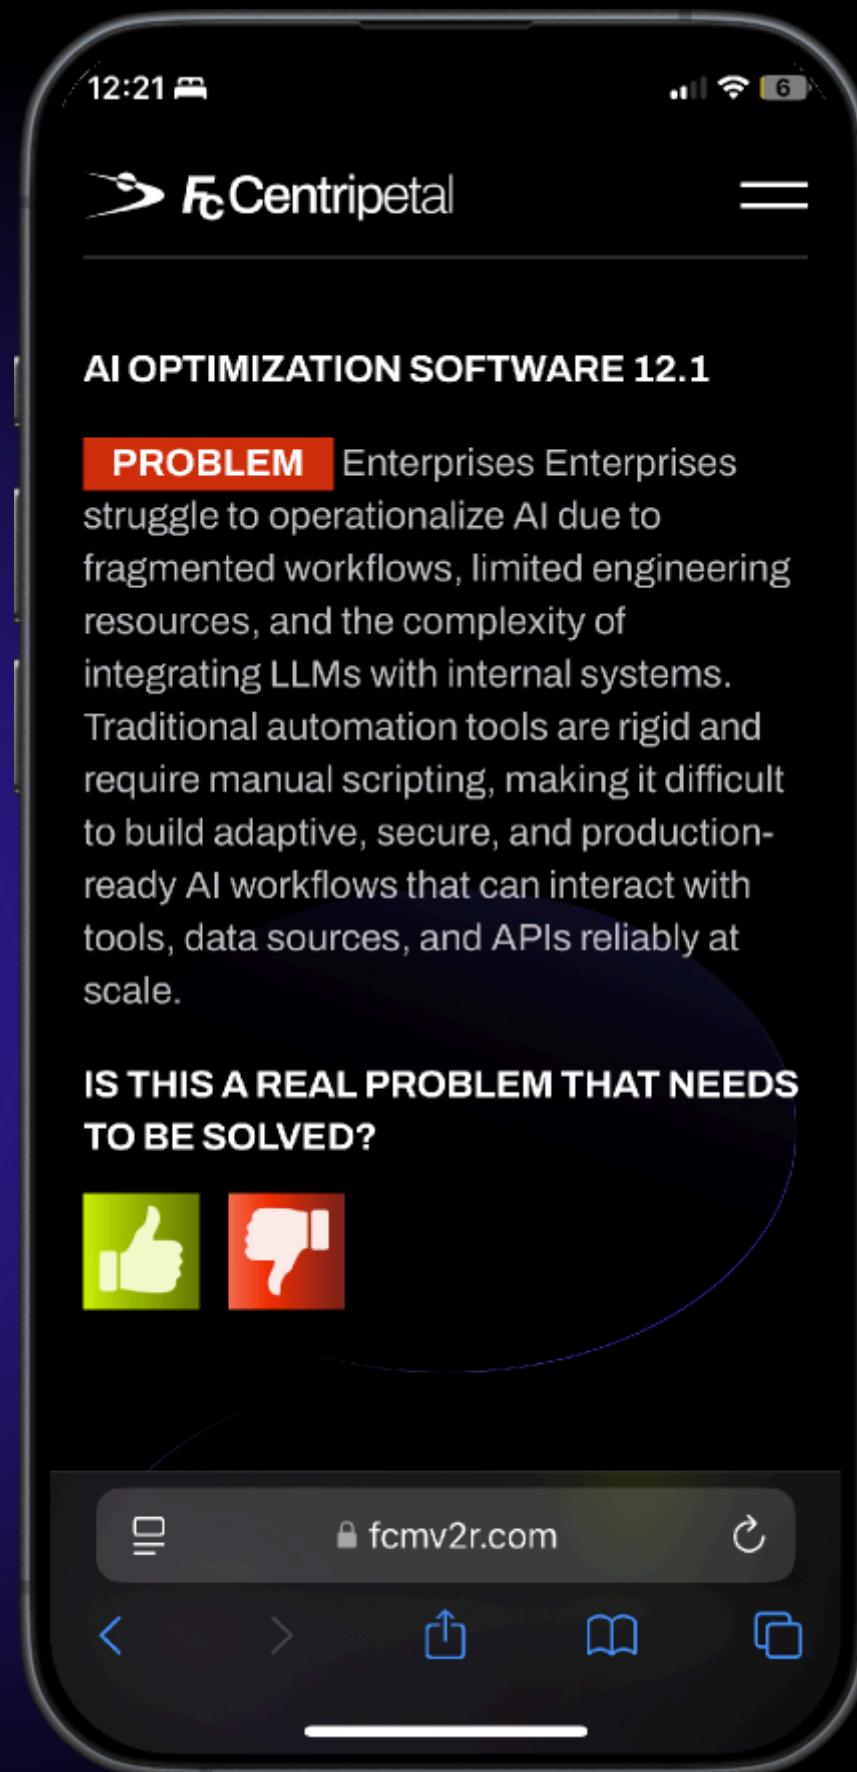

Governed by the MAST framework, developed with Cooley LLP, ensuring clear expectations around confidentiality, IP, employer compliance, and mentorship equity.

[Learn More](#)

The **more** you **contribute**,  
the **more equity** you **accrue**.

*As our portfolio grows in size and value,  
the more you financially benefit over the long term.*

# Rapid *Review*

Rapid Review is how ***Fc connects enterprise insight with early innovation.***

- Each review takes under 10 minutes.
  - Live for 72 hours.
  - Providing founders with fast, market-grade validation.
- You will review anonymized startup companies and rate the problem, the solution, and your level of interest in engaging further.

Low Interest	Moderate Interest	High Interest	High Potential
1	2	3	4
No Follow-up		Request Short Brief/ Group Demo	
		1:1 Session	

Top-rated startups advance to the ***Fc Venture Program***, where they can receive funding, mentorship, and enterprise exposure.
