SolTrans Celebrates Completion of Sereno Transit Center Beautification Project

Solano County, CA – Solano County Transit (SolTrans) is excited to announce the completion of the Sereno Transit Center Beautification Project, a transformative initiative funded through the Clean California Grant in partnership with Caltrans. To celebrate this major milestone, SolTrans will host a community event on Wednesday, August 6, from 4:00 p.m. to 6:00 p.m. at the Sereno Transit Center. All are welcome to attend and take part in the celebration!

Funded through the Clean California Grant awarded in October 2023, the project was part of a statewide \$1.2 billion effort led by Caltrans to clean and enhance public spaces, create jobs, and engage local communities.

The Sereno Beautification Project has revitalized the transit center through a series of impactful upgrades:

- Custom murals by local artist Melissa Penny (Malis Bee) and her team “The Hive”, featuring SolTrans buses, riders, and nature-themed artwork
- New landscaping to enhance the natural environment
- Solar-powered lighting in four shelters to promote sustainability
- Eleven pathway lights and four inground lights to improve safety and visibility
- A new shade structure to provide comfort and protection from the elements for waiting passengers

“The completion of this project is a reflection of our commitment to improving transit spaces for the community,” said Beth Kranda, Executive Director of SolTrans. “It’s more than just beautification—it’s about creating a safe, welcoming, and inspiring environment that serves as a point of pride for our community.”

SolTrans extends its deepest gratitude to Caltrans for their generous support and collaboration throughout the project. Their partnership was instrumental in bringing this community vision to life.

Solano County Transit (SolTrans) has been the public transportation provider for south Solano County since July 2011. SolTrans provides local and SolanoExpress fixed routes and complementary paratransit. The agency is a Joint Powers Authority (JPA) governed by a six-member Board of Directors, composed of two representatives from the cities of Benicia and Vallejo, Solano County’s representative on the Metropolitan Transportation Commission (MTC), and a representative from the Solano Transportation Authority.
