

# SONOMA

BIOTHERAPEUTICS

## IMPORTANT REMINDER

Trial participants must be monitored for possibly dangerous side effects after the trial cell therapy infusion until the end of the SBT777101-02 trial (about 11 months).

### Call the trial doctor immediately if any of the following occur:

- Fever
- Chills
- Confusion
- Shortness of breath
- Headaches
- Numbness
- Tingling in arms or legs
- Severe fatigue or drowsiness
- Fainting
- Nausea
- Vomiting
- Diarrhea
