PRESIDENT'S REPORT - ANZROC(NSW) JANUARY 2026

Welcome to the first Newsletter for 2026.

Hope everyone had an enjoyable Christmas and New Year Celebration.

My tenure as your President for the last two years will come to an end at the AGM on 16th February 2026.

It has been a pleasure serving as President.

Your committee is working hard planning the year ahead with some social functions outside the usual bi-monthly luncheons at the Castlereagh Boutique Hotel.

Please book now for our forthcoming AGM lunch, if not already done. Come along and give your committee some suggestions for future functions in 2026. It's also a great time to catch up with fellow retirees from the Bank.

Have you paid your 2026 membership? Some 70% of members have paid. If not, please assist the Secretary and Treasurer by paying your \$10.00 membership now. If making a direct deposit at a Branch, please email the Club Secretary and confirm payment.

We were sadly advised by his family that our esteem and very well-known Honorary and Club Life member & Past Club President Mike Cunneen passed away on 14th December aged 83 years.

A BIT OF HUMOUR TO BREAKUP THE NEWS

Why do you need a jeweller on New Year's Eve? To ring in the New Year!

What do cows say on January 1st? Happy Moo Year!

What did the little champagne bottle call his father? Pop!

What's a New Year's resolution? Something that goes in one year and out the other.

My New Year's resolution is to help all my friends gain ten pounds, so I look skinnier.

I was going to quit all my bad habits for the new year, but then I remembered that nobody likes a quitter.

I can't believe it's been a year since I didn't become a better person.

What do you call someone afraid of the old year? Auld lang syne-phobia.

I can't wait to impress my friends with my improved memory in 2026 if I remember it.

PHIL COHEN.

Quick calls to some of the HONS who have birthdays scheduled in February 2026.

Terry Auld

Terry is one of the Club's Co-Welfare Officers. Health OK. Just a few hassles still with a knee problem needing physio. Not able to get back to tennis again twice weekly as previously. Also, looks after his garden. Has a small consultancy business which takes up about 3 days per week. Does some babysitting for grandchildren although they are getting nearly old enough to look after themselves while parents absent. Enjoys, meeting up with friends and Ex ANZ Bankers for coffee or a meal.

Geoff Boyton

Welcome to the HONS in February 2026.

Thanks, Geoff for your service as Committee Member of the ANZROC(NSW) Newcastle Committee for some 10 years.

Health good. Keeps busy in his own man shed working with timber making letter and planter boxes. Looking to expand the size of his shed for more room. Also, busy as Honorary Secretary/Treasurer of the Newcastle Lions as well as Trustee for 10 years for the Lions Australia Diabetes Foundation into research which commenced in 1993. Enjoys looking after his gardens and lawns

Ray Brennan

Ray has mobility restrictions and problems with his balance and therefore has had to give up driving sometime back. Therefore, Sylvia is his dedicated driver. When I spoke with Ray, mid- January, he was undergoing Chemo again for liver cancer once a week which takes a couple of days to recover.

Therefore, has time at home to continue with his interest in share trading.

Ken Byatt

Spoke with Ken Mid-January while on holidays at South West Rocks. He is the ANZROC(NSW) Records Officer and Auditor for the Club & is also a Life member of the Club and has done a great job for a number of years now. Health, not too bad, although his knee gives him a little trouble still from time to time. Enjoys playing bowls twice weekly. Enjoys doing crossword puzzles.

Ted Collison

Welcome to the HONS in February 2026.

Health good. Fills his time in playing golf 3.5 days a week, Also, involved with local veteran's group and tours all over NSW playing golf at other courses where possible.

Rest of his free time is taken up looking after his garden and lawns. Also helping out local neighbours with odd jobs.

Lyn Conomos

Had a nice long conversation with Lyn.

Bob Johnston

Unable to make any contact with Bob, although I am aware he is a resident in a local nursing home. All the best Bob.

Lyll Keppie

Unsuccessful making contact with Lyll in early January. However, a telephone message enabled me to make contact with his son Adam who texted me as follows: "Hi Philip, Lyll has been recuperating from an illness but will be back home in a week or so. Thanks Adam". On behalf of the Club, I passed on my best wishes for a speedy recovery.

Dermot Lewis

Health good. Still active volunteering with the local Meals On Wheels Organisation each Friday delivering meals to their homes. As a wood turner is involved with local Men's Shed although not as much now. The local community found out Dermot was a JP and as such he is in big demand in his local area in South Australia volunteering every 2nd Saturday at the local library and every 2nd Thursday at the local Court House. Likes tinkering with things that need fixing. Enjoys catching up with friends locally. Has family nearby, but also all over Australia as well as Overseas.

Bob Miner

Attempted again this year to contact Bob, but his landline appears disconnected and we do not have an email address in our records. If any member knows of contact details (mobile or email address) please notify Club Secretary Graeme Bool. If you are aware of Bob's current circumstances, please let us know.

Bob Naismith

Health still good except for the ongoing hearing and eyesight problems. Back in May 2025, moved residence to Urunga NSW closer to where he has family with a nice view of the river. Purchased a house that has had very little maintenance with the garden for many years, so presently spending his time landscaping and planting. Has also built a fernery.

Col Paff

Unable to make contact with Col on his landline, although I have left a message. Maybe absent on holidays.

Al (Alistair) Turnbull

Health still good. Still plays 9 holes of golf one day a week. Needs to go for his first driving test since first getting his license many years ago. Did a cruise last October with Denise from Singapore to Sydney to celebrate their 60th wedding anniversary. Congratulations. Hopes to organize a couple more cruises this year.

TERRY AULD - WELFARE REPORT – DECEMBER 2025**Ian Stewart**

Ian advised that his general health is okay, although his mobility is a problem following his fall around August/September last year when he fractured a vertebra. However, he gets around reasonably well with the assistance of a walking stick.

He had a quiet Family Birthday and recently enjoyed Christmas celebrations with his Family at his daughter's home.

Ian advised that he joined the ES&A Bank and enjoyed 22 years with the merged organization, including two years as Assistant Representative in Japan. He resigned in 1976 and spent eight years with Bankers Trust Co. before joining Fuji Bank.

He commented on the recent passing of Mike Cunneen who he advised had convinced him to join ANZROC(NSW) when he retired. We both agreed that he would be sadly missed.

Jim Richards

Jim advised that he still has mobility issues and moves around with the assistance of a walker.

He lives in a Retirement Village in Wagga Wagga but moved into the Nursing Care part of the facility last year due to his mobility restrictions. He advised that he is being well cared for.

Jim said he had a quiet Birthday celebration with his daughters and also had a very enjoyable Christmas with family at his son's home.

Ken Abrahams

Ken advised he is keeping well other than the usual aches common in our age demographics.

I caught up with Ken at the December Christmas Function and he looked well.

He had a nice Birthday celebration and an enjoyable Family Christmas.

Ken is a regular attendee at our bi-monthly lunches and is looking forward to the February lunch.

He also retains his unrestricted driver's license.

Arthur Crittenden

Arthur turned 91 this December Birthday. He advised he is keeping reasonably well but is slowing down.

He still resides in his own home at Forster but avails of a Health Care package which includes house cleaning and lawn mowing. He said he still cooks 1-2 evening meals each week but also subscribes to Light & Easy. All which makes living at home much easier.

He also had his unrestricted driver's license renewed one month ago.

Arthur lives at Foster and advises that he was the Manager in Foster between 1974-1979. He said that when he moved into the Bank house, he was amused to find it located between the Catholic Church and The Masonic Club

He had a quiet Birthday and enjoyed a Christmas Eve celebration with some close Friends.

Noel Dirou

Noel turned 95 this December Birthday and thanked us for his Birthday Card.

He advised that he had a fall at home in early November which fractured six ribs and put him in hospital for five days. Fortunately, his son Michael resides with him as his carer and was on hand to drive him to the hospital.

Noel said he is recovering but his mobility is not the best and a walker helps him navigate around home. Otherwise, his health is not too bad, he eats well and still has the occasional red wine.

His Family are gathering from around Australia on Saturday week (10th January) to celebrate his 95th Birthday. Noel and his son Michael celebrated a quiet Christmas.

Noel also mentioned that he had finally given up his driver's license.

Bill Kynaston

Bill turned 100 this December Birthday and is now our only centurion member. He said the body is slowing up but the mind is still working well. Bill, from our conversation, I can certainly verify that the mind is working very well.

He received a very nice letter from our new CEO which Bill felt sure had been composed personally by the CEO.

He also thanked the Club for the excellent Hamper he received. Bill said he and his nephew had opened it, but at this stage had only removed one item. The excellent French Champagne which was on ice for his actual celebration.

His actual Birthday was the day after my call and he commented that "to his surprise" his Granddaughter had arranged a celebration with family at 1pm on his Birthday. An event he was looking forward to.

Bill said he enjoys getting the monthly newsletter and sends his best regards to those members who still remember him.

Peter Murray

Peter turned 92 this December Birthday, He sent me a message thanking us for his Birthday Card and regards to everyone at ANZROC(NSW).

He advised that he is still standing upright, although noticing a decline and that he is unable to do many things that he once took for granted.

On the plus side he still has his unrestricted license which gives him some flexibility.

Rod Prosser

Rod advised that his mobility is not good and he has not been able to play golf for approximately five years which he misses. He has been a member of Toukley Golf Club for 21 years and occasionally on a Friday will still meet some of his old golfing partners for a drink at the club. He still enjoys gardening and has a restricted driver's license and is currently trying to have the distance increased to allow easier access to Gosford Hospital.

He enjoyed both his December Birthday and Christmas with family.

COMPLETED FUNCTIONS

Club Cocktail Function ANZ Tower 3rd December 2025.

Thanks again to the very generous support of ANZ HQ and Executive Assistant to Group Head Technology Amanda Clarke, the Club was again able to have our annual Christmas Cocktail function in ANZ Tower Sydney on 3 December 2025.

A very good turn-up by members including from interstate, Newcastle, Central Coast, Wollongong, and South Coast who travelled some distance to attend, and usual attendee Bob Parsons from WA who together with our Metro members and all had a very enjoyable time meeting up with old ANZ colleagues.

President Phil welcomed all to the function and thanked all members for their support of the club in 2025 and looked forward to 2026 with confidence as ANZ HQ has again provided all ANZROC" s in Australia

with an annual subsidy which is greatly appreciated and allows all clubs to subsidise functions for members again in 2026.

Past President and Welfare Officer Terry Auld closed the function and made special mention for the outstanding support and efforts of Amanda Clarke for arranging our function again this year. Thank you, Amanda. A very enjoyable function and we are very appreciative of the support of the Bank's HQ to ANZ Retired Officers.

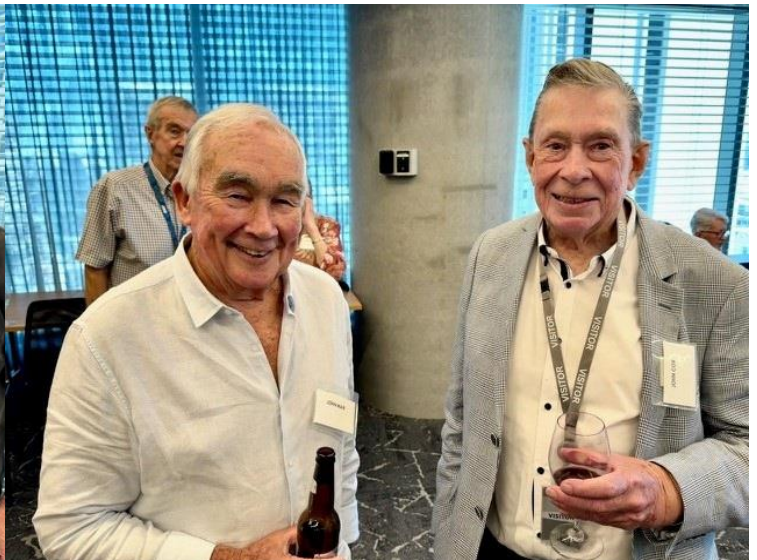

We hope that our members and their families had a Happy and Safe Christmas and we look forward to seeing you in 2026.

A full set of photos taken at the function are up on the web site for viewing.

Co-ordinator Geoff Pollack advised that local members and partners enjoyed a very successful and enjoyable Christmas luncheon at Jetty Beach House Restaurant Coffs Harbour on 27 November 25.

Geoff said that members were very appreciative of the subsidy support from ANZROC(NSW) for members at the luncheon.

Co-Ordinator Keith Anderson

Some photos from our Wagga gathering.

Attendees - Kevin & Janette Cameron, John & Norma Gray, Chris & Gwenda Hardy, Bob & Jacqui Stempel, Tony Williams, John Coldwell & Lynn, John & Jenny Ristivojevic, (John Risto), Keith & Dorothy Anderson. We celebrated Kevin Cameron's 90th birthday by the obligatory rendition of Happy Birthday. Kevin had turned 90 a few days before our gathering. It was one of the best gatherings we have had for a while. I was successful in having John Risto and John Coldwell come along both of whom I had not met face to face for over 40 years.

Cheers Keith.

Illawarra Christmas Luncheon.

Coordinator and Life Member Reg Smeaton advised: -

The function was said to be a success by those that attended. We had 57 members and partners attend, with the food up to standard and the company loud and well connected. The venue is such that mingling is quite easy, so there was quite a bit of good and varied conversation enjoyed by all before settling down for a meal. By pub standards, it must be said that the meals were well above standard fare. President Phil Cohen took photographs of the day, so expect them on the web site in due course.

Laurie Sainsbury acted as emcee where apologies were given for Pat Walsh, John and Anne Odewhan, and Stuart Joyce. Laurie also mentioned the sad passing of Phil Newsome and Tim Ireland from our Illawarra cohort in the last 12 months. He expressed the members thanks to ANZROC(NSW) for their support and generous subsidy. Laurie then called on President Phil Cohen to say a few words. Phil thanked Reg Smeaton and Helen Newsome for organising the day and gave Christmas and New Year good wishes to all present. Reminded us of the Sydney Luncheons and how welcome we would be to attend.

Lucky door prizes were drawn then comprising ANZ Merchandising material donated by our 96 Crown Street Wollongong staff. Meals were consumed with vigour, interspersed with excessive shop talk of the good old days and the day drew to a close with the promise of a repeat for next year.

Regards

Reg Smeaton

Canberra Christmas Function.

Co-Ordinator Albert Orszaczky advised: -

A most enjoyable and successful function held last night (12th December at Royal Canberra Golf Club) in Canberra despite our low numbers. It seems that being so close to Christmas it has clashed with other Christmas events and commitments for some of our members. Nevertheless, our core group was in attendance, including regulars Maxine and Paul Helmling who now reside in Victor Harbour S.A. and were back in Canberra visiting family and friends for Christmas.

A full set of photos taken at the function are up on web site for viewing (Past Events) and 4 are below.

Sad news indeed Graeme,

Mike was a valued colleague during my time in Sydney - and served as a dedicated officer and esteemed friend of a large number of fellow staff members.

Thanks for many fond memories, Mike.

A gentle soul at rest.

Hi Graeme and fellow retired members.

It is with great sadness to learn of the passing of Mike.

I met him during my time while working in the Bankstown Area.

In 1979 he employed a young woman, Lauren Sargent (nee Moore) who continues to be my wife since 1983, so I have a lot to thank him for! He was a humble and caring man who helped a lot of staff in the Bankstown Area in his role as Personnel Manager.

Rest peacefully Mike.

Thank you, Graeme,

This is very sad news. What a wonderful man Mike was.

Whether in his long career in the Bank or post during his great contribution to ANZROC, he was always there with a friendly word. Always a delight to be around.

RIP Mike.

Best regards,

Mark.

Tony Knight wrote: -

Graeme,

A great loss – condolences to Fran and family.

Worked with and socialised with Mike on many occasions. He was a true supporter of those less fortunate, evidenced by his longstanding work with Legacy. Could always be relied upon to “go beyond” with his support of staff who were struggling and later with his commitment to ANZROC. A dedicated gentleman!

When the Pope visited Sydney in 1986, we twisted the arm of Bank Executive to let us use the Bank Box at SCG to entertain young people with a disability – the bank laid on food and soft drink, thus a good night was had by all and greatly appreciated by the organisations who cared for the young adults

Sadly missed.

Tony Knight

GB,

Very sad news indeed. Mike and his brothers (Steve, Tony, and Chris) and sister, Pat came down from Newcastle in 1962 when their father took up the role to be the boss of the Sydney Banana Market. We worked together there for quite a while till I got transferred to S (K & G).

A group formed Mike, Steve, Doug Richardson and Bob Page and we regularly played Golf at those great Championship courses – Studley Park, Oran Park and “Royal Mongrel Park“, After a few beers it was back to the Cunneen household in Centennial Ave Lane Cove for a few more and a game of cards.

Some of the best memories of my life.

Rest in peace old mate.

Mike Cunneen, a great man. He signed me up to ANZROC on a visit to Coffs, some years ago. I hadn't seen him for many years, but he remembered me immediately.
We often chatted on the late afternoon train trip from the city via Strathfield. We were connected by our former Scottie memories.

RIP Mike

Good morning, Graeme,

Very sad news indeed.

Not only have I known Mike over many years on the ANZROC(NSW) Committee I also worked with Mike for some three years side by side when he and I helped open the new ANZ Bankstown Area Office.

He was the Area Office Admin Manager, and I was Manager International Services.

He was very dedicated worker and supporter of ANZROC(NSW).

Hello Graeme,

Sorry to hear of Mike Cunneen's passing.

Mike was a stalwart of the ANZROC committee and took over from me as Treasurer many years ago. We had been friends for many years, and I send Gwen and my sympathy to Fran and their family.

So saddened to get the news. I had the great pleasure of working with him for a short while at Bankstown and then again whilst he was at 20 Martin Place branch.

Hi Graeme,

So sad to hear about the passing of Mike Cunneen, he approved by housing loan in 1984, and I worked with him on the committee for ANZ Staff Club.

He had already retired from the Bank at that stage but still provided great assistance and support to ANZ Staff Cub. I met up with Mike again when I retired and witnessed the work he did for ANZROC(NSW)

Hi Graeme,

Very sad news indeed. Mike was the one to greet me when I attended my first ANZROC luncheon and reminded me straight away that he and I were both on the ANZ NSW Social Club Committee way back in the 70's or 80's.

A great loss and my condolences to his family.

Kind regards.

Sad to hear of Mikes passing.

Worked with Mike at S(M&P) and in his leadership role he was popular with staff and was a very capable banker.

He was very active in local community roles to assist in their charitable events.

Hello Graeme,

Very sad to hear the news of Mike's passing. I know he has been in declining health for some time.

I have known Mike for many years, being a fellow Scottie. First worked with him when we were Tellers at the old ES&A branch at Bathurst St, Town Hall. - a very interesting period in our banking history. He was also a reference point over the years, due to his staff and ANZROC involvement. I know Mike's wife, Fran, as we have been in choirs together in past years.

Kind regards

Hello Graeme

Sad news indeed to lose such a well-respected member and strong contributor and supporter of ANZROC (NSW). I recall that our paths crossed a few times during our banking careers - firstly when I was Accountant at Campbelltown branch in the mid-1970s and Mike was the Operations Manager (or Accountant) at the Bankstown Area branch, and again in the early 1980s when I was a Department Head at S(P&H) and he was the Accountant at S(M&P).

I was later transferred to Canberra City branch in late 1982 and managed to catch up with Mike at the Christmas Cocktail functions in Sydney on several occasions. During his term as ANZROC Treasurer, I found him very helpful and efficient with payment of the Bank subsidy for our Canberra functions. He will certainly be missed by his family and friends, as well as the ANZROC Committee and membership. No doubt ANZROC will be well represented at the funeral next week. Vale and Rest in Peace, Mike!

Hi Graeme,

Sorry, this is a bit late, but I wanted to tell you that I had attended Alasdair's funeral.

Our paths had never crossed at ANZ, but I had first met Alasdair at Air Force Association National Service Branch of which he and I were members. We both served in the RAAF as National Servicemen in the 1951-1957 scheme, Alasdair in 1957 at Canberra, me at Bankstown in 1951.

Just as an historical aside, Bankstown was both a military as well as a civil facility in those days Besides the RAAF, de Havilland and Fairey Clyde used to service the Fleet Air Arm aircraft there, in the days when the Navy had an aircraft carrier!

Anyway, Alasdair was a thorough gentleman and nice bloke, and I will miss his good company.

Kind Regards,

Peter.

Graeme,

Sad news indeed, particularly as he was the last of the Scotties who lunched at the CTA. To me he was always "Stainless" (for obvious reasons), and I am trying to think of the others. Alf Evans, Alf McDermott, Jim Nicholson, Noel Bowmer, are four who come to mind, and I had worked with all four at various times. Alasdair was always a cheerful soul with a ready smile. Will be sorely missed.

Our President said in August, what a wet month.

I was doing a two-week fund raiser for the RFDS where we raised \$56,000. It was a bad one for the first time. The second week was wet with five bush camps, wet ground, a tent disaster and dirt roads. It was called off one day short. Of 31 riders, I was the only one with a bad flu and limped home in the pouring rain. Lithgow Bells Line of Road was closed as trees were down in heavy rain and I had to use Mt Victoria. Arrived home at 11pm, ate and then had a shower, first one for 3 days as I was sleeping in bike gear for warmth.

Only did 350k of available 800K.

Was booked to join two

grandchildren in Darwin on the way around Australia for a week and against advice used a mask and took

about four days of thirty in clear skies to come good. Spent three days in a 4WD in Litchfield and then flew into Kakadu where I saw crocs, water buffalo's and South Alligator River. I was very impressed with Litchfield, it's a credit to NT. Hope to line up again this year as this is only long ride I still do. I am well aware that I will have to pull the plug someday but would love to make 90.
