Welcome to our September 2026 Newsletter.

PRESIDENT'S REPORT – ANZROC(NSW) SEPTEMBER 2026

Welcome all to the September 2026 newsletter.

With September having gone, and October upon us, we find at time of writing that the only football premiership to be decided is that of the NRL – Rugby League for all our southern States members. Can the team of our Novocastrian neighbours do what seemed unthinkable at the start of the season, and go from wooden spooners to Premiers? If they do it will certainly be a (k)night to remember.

It is pleasing to see two new members join the club in recent days, and we are always on the lookout for further recruits, so if you run across any colleagues from yesteryear who are not members, put the “hard word” on them. We are quite easy to get along with.

I am looking forward to the last bi-monthly luncheon on 12 October when Adam Boyton, Head of Australian Economics for ANZ in Sydney will be guest speaker. As Economics was the only subject I failed in my Leaving Certificate (way back when), I might learn something, but then again, my “old dog” status could be in my favour. No disrespect to Adam in any way.

In the meantime, everyone keep well.

Regards,
Ken

NOSTALGIA

COURSE PHOTO IN AUGUST NL – RESPONSE FROM LLOYD GUTHRIE.

Following on from the course photo, which was submitted by Hon Gary Mason, our esteemed 93-year-old Honorary member Lloyd Guthrie had responded: -

Hi Graeme.

Re the photo in the last newsletter. Yes - that is me at the left in the front row, but like Gary, I cannot recognise anyone else.

The reference to 1971 is undoubtedly the year and if it is an ANZ Group course, I am fairly certain it is either 1970 or 1971. I was on the directing staff of the first residential courses after the merger with Bert Higgins from QLD and Gary Watson from Vic. That was in 1970, but those courses were at Phillip Island. I moved into AHQ Staff Training from NSW in 1971 but cannot recall a course at Flowerdale that I participated in or had anything to do with. Old age? Sorry I cannot be more helpful.

All the best

Lloyd Guthrey

Lloyd further advised.

Thanks Graeme,

I think the Scottie used Flowerdale before the merger, so I knew of it, but good that Mark Monaghan has confirmed my belief that no courses were located there in the 1970s.

Jan and I are both well. My vision is poor but have enough vision to get around. Have not driven for five years so rely on Ubers and Jan for travel.

All the best

Lloyd.

Thank you very much Lloyd and great to hear from you, all the best to you and Jan.

MARK MONGAHAN.

Mark had previously responded to the photo and said: -

That photo doesn't look like Flowerdale.

The bank didn't buy Flowerdale until 1989, and it didn't open for courses until 1991/92.

No suits and ties were worn there.

All the best

Mark

A BIT OF HUMOUR TO BREAKUP THE NEWS

Daughter: "Dad why are you staring at the orange juice bottle?" Dad: "It says concentrate.

Tequila may not fix your life. But it's worth a shot.

My Visa declined at the sweater store, so the cashier had to ask for my cardigan.

Taking my dog named 'shark' to the beach yesterday was probably not the best idea.

I accidentally gave my wife a glue stick instead of her lipstick. She still isn't talking to me.

Answer truthfully (yes or no) to the following question: Will the next word you say be "no"?

I want to be like a caterpillar. Eat a lot. Sleep a lot. Wake up beautiful.

Doctor: How's that kid who swallowed a bunch of coins?

Nurse: No change yet.

WELFARE REPORTS

PHILIP COHEN.

Quick calls to some of the HONS who have birthdays scheduled in October 2026.

Philip Cohen

Hello, it's me your Co-Welfare Officer. Health Good. Still volunteering with St George Meals on Wheels every Monday and for the last fourteen years, delivering meals to our senior citizens in the St George Area of Sydney. Enjoy playing golf on Tuesdays. Also volunteer on our Strata Committee as well as volunteer with three other organizations. As joint welfare officer, what is most enjoyable is talking to our HON'S Club Members before their birthday each year. They all have wonderful tails to tell.

David Edwards

David tells me nothing has changed in the last twelve months. Health still not great due to many years running marathons etc., which he had to give up in 2019. Now needs to rely on a defibrillator due to a heart problem, although, now stabilized. Still able to walk three Kms daily. Volunteers, helping on the floor at the Sydney Loftus Tram Museum each Wednesday, rather than driving as a licensed Tram Driver because of his heart condition.

Ron Izzard

Ron had two kidney stones removed twelve months ago, and all is good now. Just needs to go for a regular checkup but there have not been any further problems. Most of his time, when able, is spent gardening, watching TV and travelling to visit his children who live in Armidale, Newcastle and Windsor NSW. He and Jan will be travelling to Newcastle soon for his Grandson's 21st birthday celebration. Ron did mention that he fell off a ladder three months ago, which is a no no for us over 80's. No major damage and will not be climbing ladders again in the future.

Gwen Jarratt

Health, still good. Still plays lawn bowls two times a week at Umina Bowls Club where Gwen and Ian have been members for some 23 years and where Ian is a Life Member. Also bowls occasionally on the bowling green in their complex at Kincumber. Gwen also volunteers, helping organize functions in their section of the retirement village where they live.

Graham Kenney

Health, still good. Plays golf locally on a Wednesday and bowls once a week on a Friday, but sometimes an extra day on the weekend if there is a competition. Enjoys gardening in the complex where he lives. Enjoys going to the Gosford Races. Hand exercise comes from rowing his kayak as he only lives seventy meters from the water. Involved with a group of friends where they meet up each month for dinner taking their favourite bottle of wine with them.

Allan McCormac OAM

Still going strong. Keeping very busy in retirement.

Taking time doing road trips to Melbourne Victoria doing the tourist bit to areas where he once travelled on business but never stopped to have a good look. Attends Gym and swims up to five days per week. Started an art class for beginners in the complex where he lives. It has become so popular that he now runs two classes each Wednesday morning and afternoon which fills a full day. Also started a Car Club where couples meet up to tell everything about cars.

Garry McKay

Still involved with the local RSL, Rotary and Legacy. As an Ex-Digger, he served in Afghanistan and Vietnam then in the Reserves for some 23 years. Also meets up regularly with other Ex Diggers who live nearby as well as Ex ANZ Retirees who live in the surrounding area. Travels regularly to Canberra to visit family. Attends Gym some twice weekly.

John Richardson

Welcome to the HONS in October 2026.

Attempted to contact John by phone on a number of occasions without success as well as by email.

Happy birthday John. Enjoy the occasion.

John Wellburn

Health good. Runs from Queenscliff Beach to Manly Beach on the sand some three days a week, weather permitting. Then back to his garage for more exercise on his running machine and static bike.

Meets up with friends twice weekly at a local club for a beer and a chat. Doesn't drive now but is close to all facilities needed.

TERRY AULD - WELFARE REPORT – SEPTEMBER 2026**David Fleming**

David advised that his general health is okay apart from the usual age-related aches. However, he still has some issues with his balance and mobility and uses a walker to help with this problem.

He no longer holds his driver's license and uses Ubers as required.

Said he is still enjoying life with his partner, Dianne, with whom he celebrated his Birthday over a quiet lunch. Importantly he still retains his sense of humor.

John Hickey

John turned 91 this Birthday and enjoyed a delightful dinner with his wife, Daisy, He also received many greetings from Family and Friends,

He has had a couple of falls over recent years and uses a walking stick nowadays.

However, he is keeping well and is still enjoying life.

Garry Attwell

I spoke with both Garry and his wife, Marilynne, who also worked in the ANZ Bank.

Garry advised that he is keeping comfortable for his age, but his mobility issues restrict what he can do nowadays. Marilynne is their licensed driver and does most of the gardening, but he does what he can to help.

They celebrated his Birthday over a nice lunch with a few friends.

He said he enjoys the monthly newsletter and thanked us for his Birthday Card.

Keith Jacobs

Keith turned 92 this Birthday.

He said he is as well as can be expected although mobility is not good and he is about to take ownership of a Red Mobile Scooter. He was pleased when advised it would be Red as it is his favourite colour.

The Probus Club he has attended for many years has closed due to declining member numbers, but he is still the treasurer (20 years) of his local Masonic Lodge. However, the club is merging with St. Joseph Banks club, and he will still attend but not as treasurer.

His son is coming up from Melbourne and together with his Granddaughter are arranging a Birthday Celebration, but the venue will be a surprise for him. He is also the carer for his wife, Peggy, whose health is not good. Keith thanked us for his Birthday Card.

Rupe Thomas

Rupe advised that apart from the usual aches and pains he is keeping well.

He celebrated his Birthday with a Family dinner which he enjoyed.

We had a brief chat about some of the Sydney colleagues he worked with and how the Bank is a far different organization to that in which we worked.

Rupe mentioned that he enjoyed receiving our monthly ANZROC(NSW) newsletter.

Don Sheath

Don turned 91 this Birthday and lives in an Aged Care Facility.

I spoke with his wife Glenys who advised that he is more comfortable in the facility nowadays and despite his mobility issues he is keeping well. He has a degenerative muscle disease and has an electric wheelchair to help him get around.

Glenys advised that the Aged Care facility is a 15-minute drive from her home on the Central Coast and she visits Don every day.

They have two Sons living close by and a daughter in Sydney who all provide her with support and assistance.

When I called, Glenys said that it was raining and she had just put on her raincoat and spread fertilizer over the lawns. However, she also added that she does not mow the lawn.

Well done Glenys and you take care.

Peter & Jean Maber

Peter and Jean have recently sold their home of many years at Hamlyn Terrace and moved into an Aged Care Facility which is just across the road from their former home.

For several years both Peter and Jean traveled by train and often stayed overnight to attend our Bi-Monthly lunches in Sydney, despite them both utilizing walking sticks to assist with mobility. They are no longer able to do this and we miss them. However, they still try to attend the Newcastle lunches whenever possible.

I recently spoke with Peter to see how they were keeping and settling into their new surroundings. Peter advised that the facility was "As Good as Gold". It was a smart place with many facilities, including a very nice Restaurant in which they enjoyed daily lunch, and they were meeting new people. They also did occasional daily Bus Tours to different places. It was a much more relaxing environment.

Peter did advise that Jean had not been well recently but was now much better.

Congratulations Peter and Jean. Keep well and keep enjoying your new living facilities.

NEW MEMBER BRUCE KELSO WROTE: -

Hello Graeme,

My name is Bruce Kelso ex ANZ staff, I recently came across your website and have been reading through all the newsletter posts with interest, many names I can recall from my time with ANZ. Times have definitely changed over the years, I remember well the inward and outward rem's, calculating savings bank interest, exchanges at country branches and all the other manual chores.

Modern technology has certainly changed the way we all go about our lives now.

I commenced with ANZ in January 1969 at the Cronulla branch and resigned in 1981 from Personnel department S(M&P) when my wife and I purchased a Milk run from an ex ANZ'er Dennis Hales.

We sold the milk run probably 12mths + later to another ANZ'er, Jeff Brincat.

After starting work at Cronulla, I moved along through Cooma, Hurstville, 173 Macquarie St Sydney, Cronulla, 377 George St Sydney, which then merged with King and George Sts Sydney, Padstow and finally Personnel Department at S (M&P), not sure of all the exact dates of all the transfers, that would be interesting to find out, would that information be available from ANZ?

My wife Gail Kelso (nee Thomas) also joined ANZ, commencing at the Yagoona branch in 1974, resigning in 1982 to join me in our self-employment. Gail worked at Yagoona, 377 George St (where we met, thank you ANZ), Fairfield and then Central Teller at the new Bankstown Area office. Gail is the unnamed staff member no 25 in the group picture of the Bankstown area staff 1978, posted on page 8 in newsletter June 2020.

Following the milk run we remained self-employed in various businesses for many years, firstly contract cleaning, then swimming pool maintenance, leaving Sydney where we purchased and operated a country Hotel in Northern NSW, then a retail shop in Lismore NSW. I then spent 15 years working in Employment Services, then for a while courier driving and finally bus driving and now currently retired.

I have very fond memories of my time with ANZ and during the 11 years it certainly was a very social time, Bank Ball functions, Christmas parties, many Barbeques, picnics, nights out and even a 3-day cruise to nowhere with 15 ANZ'ers, on the Feydor Shalyapin cruise liner. Fond memories of the Forbes Tavern, York Hotel, Occidental Hotel and other watering holes we frequented in the city. Many marriages and relationships between staff members, great comradeship between staff members and there was always something going on and to be part of. Many skills I learnt with ANZ I have been able to utilise in all my positions thereafter.

Over the years we have kept in regular touch with some of the old work mates and of late caught up with some who I haven't seen for 45 years. Old ANZ friends include, Rodney (now dec) and Jeanette Wood, Lindsay (Gruber and Anne Clarke, Peter (Knife) and Ruth Little, Stephen (Boogle) and Jo Triffit, Mark (Welby) and Lorraine Dowell, both their fathers were ANZ'ers, Greg (Verj) and Ana Verjbitsky, Jeff (JB) Brincat ex ANZ and his wife Brucena.

Our Interests include watching Grandkids grow, travelling both overseas and around Australia on road trips, AFL, Music, classic cars, we love driving our '68 Mercury Cougar around.

In my case I guess that as I become older and now kind of retired etc. that gives me more time to reflect on the past and the good old days.

We certainly had some great times back in those days with fellow staff members and ANZ was certainly a great place to work. We live in Goonellabah Nth NSW (near Lismore), always interested in chatting with people from the old days, my email should any wish to reach out is bruce.kelso@bigpond.com.

Congratulations to (ANZROC)NSW committees over the years for providing the platform to keep ex-staffers informed. I will submit my application for membership for your consideration.

Regards.

Bruce Kelso

Bruce subsequently submitted his membership application, and he is now a club member.

Thanks, Bruce, for your resume of your banking career.

ON ALVIN MAPLE.

CHRIS WHEELER WROTE: -

I noticed a recent Obituary re Alvin Maple. I don't know whether Alvin was an ANZROC member but remember him from Castle Hill branch way back.

Chris.

MARK MONAGHAN WROTE: -

Thanks Graeme

I hope you're well

Sorry to hear about Alvin

Worked with him at South Sydney and Corporate.

All the best

Mark

ON AUGUST NL.

HON GARY MASON WROTE: _

Thanks Graeme,

Congrats to Craig for compiling all that detail (and on holidays!)

Great report.

Cheers

Gary.

NON-MEMBER KEVIN PARKER EMAILED: -

Hi Graeme

You don't know me and I am not a retired ANZ Employee but was an employee and still have a few contacts from the good old days. I am still fully employed now, BOQ in Dubbo where I opened a franchise Branch 31st August 2007.

I have attached a couple of items from my early days, ES&A. Some of your members may remember these. Branches I worked at - Fairfield, Parkes, Lithgow, Cowra, Wagga Wagga, Moss Vale, Maitland, Inverell and Orange as Manager Esanda Office and Central West, this was my last posting with ANZ, 1986 due to kids changing schools, then Joined St George Parkes.

I joined the ES&A at Martin Place on 1st February 1966. (Bob Garrett was the HR person) this year 2026 I clocked up 60 years in Banking and Finance.

Reading the April and August newsletters I do recognise the following.

Bothwick (Bob) Le Brocq, he was at Inverell. - Please say hi to him for me and those below.

Peter Douglass, Esanda Rep but was also Manager Temora.

Peter Maber, Esanda rep, think he ended up in Canberra?

Geoff Gill, he was Assistant Manager Wagga Wagga, then Manager Wee Waa.

Mick Howard, he was Manager, forget the small-town, Riverina where Yvonne Goolagong came from, Berrigan?

Terry Slogett, has been in Dubbo for a long time, transferred from Cowra.

Barry Humphries, I noticed his name in the Bereavements, he was on relief staff and came to Cowra for relief, a nice guy.

Laurie O'Brien, he was in the central west now Gosford?

Terry Auld, name rings a Bell but did not work with him.

Possibly a few more, but a lot that are no longer with us.

Other guys, ex ANZ in Dubbo Raymond Donnelly, Stuart Dedman.

Keep up the good work,

Regards

Kevin

To all our Hon's who are celebrating a birthday in October 2026.

RESPONSES RECEIVED FROM HON MEMBERS, GENERAL OR WHO HAD BIRTHDAYS IN SEPTEMBER 2026 AND RECEIVED BIRTHDAY CARD WISHES FROM THE CLUB.

WAYNE SMITH WROTE: -

Morning Graeme,

Happy Father's Day to you.

Received a lovely birthday card from Phil, much appreciated, thanks.

I noted that Phil had difficulty making contact with me by phone, can only assume my phone doesn't recognize the number, and the security system blocks the call. Please accept my apologies.

I am doing well, no major issues, health wise, apart from cataracts, which I'm having sorted in a few weeks.

My life now is all about playing nine holes at Mollymook three times a week, enjoying the walk, mainly, the golfing ability varies from day to day, gardening, reading and just enjoying the peaceful south coast environment.

I really enjoy reading the Bulletins, although I feel some touches of sadness when reading about the passing and health difficulties affecting colleagues who I worked with or met during my working life.

Thank you to all on the committee, you do a great job.

Cheers

Wayne Smith.

KEITH CRAWFORD WROTE: -

Hi Phil,

Thanks for your birthday wishes, and sorry for being so slow in getting back to you.

My wife and I went on a trip to Victoria and were away for my birthday. We recently came back and had a good get together with our children and grandchildren.

Appreciate everything the Retired Officer Club does for all the retired staff.

Kind regards.

Keith Crawford
