

PHONE PHOTO *Swipe*

Phone Photo Swipe

Instructions

Objective:

To spread joy and kindness by sharing a fond memory with someone through a photo on your phone.

Players:

Individual activity, suitable for anyone with a smartphone and a collection of photos.

Materials:

- A smartphone with a photo gallery.

Setup:

No specific setup is required. Ensure your phone's photo gallery is accessible.

Gameplay:

- Open the photo gallery on your smartphone.
- Swipe through the photos three or four times randomly and stop.
- Select the first photo that shows you with someone else.
- Send this photo to the person featured in it.
- Accompany the photo with a heartfelt message recalling the shared memory or expressing appreciation for the person.

Winning the Game:

The goal is to make someone's day brighter and enjoy the positive feelings of this kindness act.

Variations:

- It can be adapted to suit different relationships, such as family, friends, or colleagues.
 - Use different methods to select the photo, like choosing the most recent or an image from a specific time.
- 

Additional Notes:

Phone Photo Swipe is a simple yet meaningful way to connect with others and reminisce about good times, reinforcing positive relationships and well-being.
