Using the above sign up form, please select the desired swim sessions. These sessions are not dependent on each other, so you may select any session that is convenient for you.

Students are expected to attend all classes of each session that they are enrolled in. There are no refunds for missed classes. If there is a day with inclement weather and a class has to be cancelled, the make-up day will be the Monday of the following week at the same scheduled time. If there are multiple bad weather days for that week, the days lost will be pushed to the following week at the same time.

Each session follows a strict instructor/student ratio, thus keeping group sizes to a minimum. Enrollment of two or more students is required or the session will be canceled for that week. In that case, the payment can be refunded or moved to another session. A parent or caretaker must be present during each swim lesson.

This form is to be mailed back or dropped off at the beach office with a check. Payment and the first page must be received no later than **2 Days** prior to your child's first session. Checks are to be made payable to: **Larchmont Manor Park Society**.
