INTRO

First of all,
Congratulations on
your engagement!
What an exciting time
in your life this will
be.

I absolutely loved
being engaged, and
planning my wedding
was an experience I'll
never forget.

@itscatthecelebrant

Hello, I'm Cat. I'm a UK-wide, Independent,
Queer, Qualified Celebrant specialising in
Inclusive and Non-Traditional Ceremonies

I have over 15 years of experience in creating
unforgettable moments, show-stopper events
- and making sure people feel truly seen.

My roots began in Surrey, and I now live in
North London with my wife and two cats.

I work right across the UK - and beyond!

ABOUT

I've been curating show-stopper events and bringing people together for unforgettable moments since I was 10 - starting with a sell-out Spice Girls concert in my back garden (yes, I sold tickets to my neighbours, and charged them for squash).

I work with a limited number of couples each year to ensure every ceremony receives the time, care and creative attention it deserves.

From our first conversation to the moment you walk back down the aisle, I take the time to understand your story, your style and your vision - crafting a ceremony that feels refined, heartfelt, and entirely your own.

This is a bespoke experience from beginning to end - no templates, no shortcuts, just something beautifully personal.

MY CELEBRANT STORY

Before becoming a celebrant, I spent 15 years in Equity, Diversity and Inclusion - working everywhere from grassroots ballrooms to global corporate boardrooms. I thrive in dynamic, people-powered environments where creativity takes centre stage and I bring that wealth of culture, knowledge and respect into every ceremony I perform.

This experience has given me a deep understanding of the beauty and complexity of relationships, family dynamics, and the importance of community - especially when it comes to celebrating and supporting LGBTQ+ love and connection.

MY SERVICES

I offer three celebrant packages - including one that combines your ceremony with my MC services for a full day of seamless celebration.

To secure your date, a £150 Save the Date deposit is required at the time of booking. The remaining balance is due 12 weeks before your ceremony.

For ceremonies taking place over 50 miles from my base, or those requiring an early start, additional travel and, where needed, overnight accommodation will be arranged and quoted in advance.

Please note: MC hosting is currently exclusively available as part of a ceremony package and cannot be booked as a standalone service.

Please note: all pricing listed is accurate for 2026.

THE PROCESS

Working with me is all about creating a ceremony that feels effortless, personal, and full of joy. Whether you're going for something simple or pulling out all the stops, the process is designed to feel relaxed, collaborative and completely bespoke.

We start with a friendly consultation - a chance to get to know each other, chat through your ideas, and see if we're a good fit (cocktails and mocktails welcome!). If we decide to work together, you'll receive a detailed proposal, a simple contract, and a couples questionnaire to fill in, which helps me dive deeper into your story and start crafting your ceremony.

From there, we'll shape everything together - whether that's via email and video calls, or in-person planning sessions, depending on your package. I'll guide you through vow writing, rituals, readings, and all the personal touches that bring your story to life. If it fits your package, we can also rehearse and visit your venue in advance.

On the day, I arrive early to settle nerves, check logistics, and make sure everything's set for the magic to unfold.

And if I'm staying on as your MC, you can expect a smooth, joyful handover into the rest of your celebration - no awkward silences or missed cues, just great energy and good vibes throughout.
