SILVERADO

SILVERADO NITTY-GRITTY

Over twenty one-of-a-kind custom lights were made for us by artist Walt Buster of Studio Buster in Dallas, Texas

The mural "The Three Horsemen" was created for us by southwest artist John Gable of Woolwich, Maine.

The large bronze "Bronco Buster" statue was purchased at Jack Sutton Company in New Orleans.

Cowboy furniture is by famous southwest artist and poet L.D. Burke of Santa Fe, New Mexico.

The rugs that are hung around the restaurant were woven by the Zapotec Artisans of Mexico from original Navajo patterns.

The spurs mounted on the barn wood in the dining room are authentic... they came from Texas and Mexico. Some of them are from the 19th century.

TORTILLAS

According to Mayan legend, tortillas were invented by a peasant for his hungry king in ancient times. The first tortillas, which date approximately 10,000 BC, were made of native corn with dried kernel.

Among native Mexicans, tortillas are commonly used as eating utensils. In the Old West, "cowpokes" realized the versatility of tortillas and used tortillas filled with meat or other foods as a convenient way to eat around the campfire.

If you've never had a fresh tortilla, you've got to try our fajitas to find out what you've been missing. For real Southwest "foodies", this is as good as it gets!

We make our tortillas by first mixing and portioning the dough.

We put the portioned dough through a tortilla press, which shapes and flattens the dough into tortillas - this also "seals" the moisture into the tortilla so it stays soft.

The tortillas are then cooked to order on a very hot comal - or griddle - very quickly so they stay hot for you.
