EXPERIENCE

10/2025-12/2025, Pasadena, California
Google Packaging Mentorship Program
Selected to participate in a three month mentorship program led by Google's Packaging Design Team. Engaged in one-on-one sessions, cross-team collaboration, and career development within the design industry.

09/2024-12/2025, Pasadena, California
Motion Graphics Designer | Heavin Studios
Designed and animated educational videos for the Writing Center and instructors at ArtCenter College of Design. Partnered with faculty and production teams to create style frames and motion graphics that elevated academic content and supported school events. Contributed to shooting, editing, and art direction.

05/2025-08/2025, Shanghai, China
TikTok Motion Design Intern | Bytedance
Developed 3D motion, motion graphics, and concepts for TikTok and Lemon8 campaigns. Explored the integration of AI techniques with motion design to expand creative possibilities. Supported user growth events by producing engaging motion assets and visuals. Contributed to festive concept exploration, including an interactive Easter egg experience.

10/2024-04/2025, Burbank, California
Creative Design Student Associate | MSG Sphere
Developed style frames, concepts and animation tests for the Exosphere at the Sphere in Las Vegas. Contributed to projects for major clients including F1 and FedEx, and large-scale events such as New Year's Eve and the Woz event. Collaborated with the creative team on problem-solving and design execution.

09/2023-01/2024, Pasadena, California
Orientation Leader | ArtCenter College of Design
Collaborated with the orientation team for social media content and new student onboarding to enhance engagement and foster a welcoming community.
