# Pipe

Design: José Ferreira

Aparentemente robusta, a Pipe surpreende pela sua extrema leveza, conseguida através do seu interior oco, característica da qual deriva o seu nome – pipe significa “tubo” (forma oca), em inglês. O encosto elegante contrasta com a base robusta, conferindo um certo equilíbrio à peça.

*Apparently heavy, the Pipe surprises by its extreme lightness, achieved through its hollow interior, characteristic of its name – pipe means “tube” (hollow shape) in English. The elegant backrest contrasts with the solid base, giving a certain balance to the piece.*
