Mrs Rocha

Design: Alzira Peixoto + Carlos Mendonça

Com características morfológicas inspiradas na costa marítima, a Mrs Rocha foi pensada para criar zonas de estar em espaços públicos exteriores ou interiores. As possibilidades de conjugação das várias peças são vastas, permitindo a criação de diferentes paisagens urbanas e provocando novas formas de utilização das mesmas.

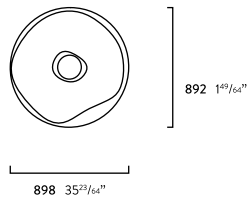

With morphological features inspired by the sea coast, the Mrs Rocha was designed to create seating areas in both indoor and outdoor public spaces. The possibilities of combining the various pieces are vast, enabling creating different urban landscapes and providing for new ways of using them.
