

2023 MINNESOTA FAMILY COUNCIL LEGISLATIVE SCORECARD

Votes matter. This scorecard shows how Minnesota legislators voted on a number of crucial issues during the 2023 Legislative Session. We tracked ten votes in the Minnesota House and eleven votes in the Minnesota Senate so that you can see how your legislators voted on issues affecting life, family, and religious freedom.

How to use this scorecard. First, use the key below to familiarize yourself with the issues legislators voted on in 2023. Then find your Minnesota Senator and Minnesota State Representative by looking at the district number, region, and cities represented. Because some municipalities are split between districts, and others are too small to be listed here, the most reliable way to find out who represents you is to use the Who Represents Me tool created by the Minnesota Legislature and available at www.gis.lcc.mn.gov.

I've found my legislators' votes. What next? First, we encourage you to pray for your legislators and contact them. You can thank them for voting for life, family, and religious freedom, or ask why they did not do so. Whichever way they voted, we ask that you pray for them and thank them for their service in the Minnesota Legislature.

Second, inform others about this scorecard so that they can find out where their legislators stand on the issues that matter.

Finally, don't forget to pray for all our elected officials. As the Apostle Paul writes in 1 Timothy 2:1-2, "First of all, then, I urge that entreaties and prayers, petitions and thanksgivings, be made on behalf of all men, for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity." Pray, too, that God would be merciful and provide our state with leaders who meet the biblical criteria of Exodus 18:21, those who are capable, trustworthy, fear God, and hate dishonest gain.
