SKILLED NURSING FACILITY
A PLACE OF CARE, COMFORT, AND SUPPORT

SPECIALIZED MEMORY CARE & ON-SITE DIALYSIS SERVICES

Memory Care

We provide a secured, supportive environment for individuals with Alzheimer's and other related dementias.

Our specially trained team of professionals deliver individualized attention tailored to each resident's preferences and needs.

On-Site Dialysis

Heritage Healthcare of Lyndhurst is proud to partner with Concerto Renal Services to offer on-site hemodialysis by experienced dialysis nurses and care technicians.

Benefits of Our Dialysis Program

Continuity of Care

Our team collaborates to tailor personalized care plans for each resident, ensuring continuity and positive outcomes.

Seamless Support

Familiar surroundings foster stability and comfort.

Convenience

On-site dialysis eliminates the stress of transportation and inclement weather.

Maximize Rehabilitation and Recovery Time

By decreasing the amount of time spent traveling to an outpatient dialysis center, residents can devote more energy to recovery, rehabilitation and social programming.
