FIT Academy Courses:

- **Budget 101:**
If you are feeling overwhelmed by all of the bills and paperwork standing between you and your financial freedom, then this course is for you. We teach you where to start, how to organize spending, and what things to prioritize when building a perfect budget.
- **Budget 911:**
If a budget emergency strikes, the best response is to act quickly. Our course will teach you to live a more wallet-friendly lifestyle so you can weather any budget crisis.
- **Power of Paycheck Planning**
This course applies all of our expertise, over 45 years, to help you create a spending plan that's right for you. Learn strategies for categorizing your expenses, tracking your spending, and putting together a new budget.
- **Understanding Your Credit Report and Credit Score**
In this course we discuss what's on your credit report, how it gets there, how a credit score is calculated, and how to develop financial habits.
- **Wise Use of Credit**
If you have bad credit or need to establish credit-now what? Our course will teach you how to manage your credit responsibly to help you build a solid foundation for your financial future.
- **Roadmap to Financial Freedom**
In this course, we help you understand the first steps on your journey to financial freedom with Credit.org by using a Debt Management Program to consolidate and pay back unsecured debt.
- **Preventing Foreclosure**
We teach you what to do if your mortgage becomes delinquent or if you are facing foreclosure. Additionally, you will learn what options are available to you as a homeowner. Preserving homeownership is part of our mission, and this course helps accomplish it.
- **Identity Theft Awareness and Prevention**
It's estimated that as many as 9 million Americans have their identities stolen each year. Learn to protect yourself from this growing problem, and find out what to do if you are a victim.
