About FOAHK

The **FOAHK** is an independent family office trade association established in 2020. As a nonprofit consultative industry body, the FOAHK represents family offices advising ultra-high-net-worth individuals and their families on governance, investment, and strategic matters.

We aim to drive dialogue between industry participants and nurture young talent by bringing together government, industry, and academia, reinforcing Hong Kong's global leadership in the industry.

Learning Outcomes

During this **8- to 10-week internship programme**, you will get a glimpse into the multifaceted operations of a family office.

Your Responsibilities May Include:

- Screening incoming funds and advising the investment committee on investments
- Conducting market research, due diligence, and financial analysis
- Assisting in operations such as launching new funds and executing deals
- Identifying private deal opportunities in the market and new distribution channels for secondary market products
- Collaborating with legal and compliance on investment structures, KYC processes, and negotiation
- Any ad-hoc duties as assigned

Who We're Looking For

- Undergraduates (Year 2+), master's students, and recent graduates (within 2 years of graduation)
- Eager to explore the family office and/or asset management industry
- Available between mid-June and mid-August

Program Highlights

Alongside your work experience with our employers, you will engage in various group activities, including **exclusive training workshops, on-site visits, seminars, and networking sessions**. These opportunities will allow you to interact with key players within the family office ecosystem, including **regulators, private and investment banks, and fund houses**, among others.

You will gain insights into collaborative value creation, broaden your industry network, and deepen your understanding of finance and related sectors.
