**THE STITCH LAB** is a new program developed by Audra Daughtry, a well-known Atlanta Stitcher, Teacher and Owner of the wholesale canvas line Audra. Only six Needlepoint Shops across the country have been selected to participate and we are very pleased to announce that we were chosen to be one of those! The Stitch Lab will be a notebook Sampler Class designed to be a yearlong, hands-on exploration of thread, texture, and stitching creativity. The live 3 hr. ZOOM class will be held monthly by Audra and will feature 4 Thematic Threads and 4 Stitches per month designed to elevate your stitching creativity. We'll be exploring the threads and their nuances, learning the stitches hands-on and finding out how to apply them to your future projects. None are difficult with Audra's direction and expert skills as a teacher and all will be FUN!

At the end of our stitching year, you will have a notebook full of amazing thread and stitch information, your own stitched samples and a nice stash of threads and accoutrements for your future stitching happiness!
