Spellings will be tested the following week on a Tuesday.

Year 5 - Homework Grid - Summer

DT

Using a shoe box or small box, can you create a rainforest? Think about the plants and animals you will include. Could you include the different layers.

Art

In Art we are exploring the work of William Morris a leading artist and designer in Victorian times. He is most famous for his floral wallpaper designs. Can you create your own wallpaper design? What shapes and patterns will you use? How can you create a rerepeating pattern?

PE

Can you listen to the music below. Imagine you are trekking through a rainforest. Create a dance sequence to show your journey. Think about how you would move through a rainforest and your facial expressions.

www.youtube.com/watch?v=URxC75G3nJI

Science

Rainforests are home to some of the most unusual plants in the world. Can you find out what some of these plants are?

Can you find three interesting facts about the Strawberry Poison Dart frog?

PSHE

Deforestation: Our Climate and Our Planet- As well as impacting on animal habitats and native people, deforestation is also a major contributor towards climate change. Direct your child to create an awareness leaflet about the effects of climate change on our planet and how deforestation is contributing towards this.

Geography

In Geography, we are learning about the importance of rainforests. Can you locate the rainforests on a globe, a map or online?

Learn about the different layers of the rainforest. Make notes or talk about what lives on each level and area.

Computing

Can you find out about this symbol? Where would you find it and what does it mean?

Make a list of the 'items' that you have found that show this symbol. Write about what it means and what they do.

Language Angels

In French, we have been exploring different topics, whilst applying what we have learnt in our phonics sessions to decode new words. Using your Language Angels log in, continue to expand your language skills through karaoke and games. Please see your class teacher for your Language Angels log in.

History

In History, we are consolidating our learning. Can you create your own PowerPoint, poster, book, leaflet or display on one of the following themes:

- **Explorers** (e.g. Shackelton, Darwin)
- **Civilisations** (e.g. Mayan)
- **Trade** - How has trade involved over time?
- **Empire** (Any King or Queen - Victorians, Egyptians, Roman)
- **Conflict & Invasion** (WWI, WWII etc.)

If you would like to complete any of these homework tasks, please return your work to school on the last week of term (19th May and 14th July).

Year 5 - Homework Grid - Summer

	21 st and 28 th April	5 th and 12 th May	19 th May & 2 nd June	9 th and 16 th June	23 rd and 30 th June	7 th and 14 th July
Literacy	Write a newspaper article about a historical event which has inspired you.	Make a poster of leaflet to persuade people to visit the Barbican or Hoe Area.	Create 'Did you know? Fact cards (a minimum of 10) about the rainforest.	Write a poem about the rainforest or jungle.	Pick an animal that lives in the rainforest. Create a Fact File	Write two contrasting descriptions of the rainforest. One depicting the rainforest's beauty and the other deforestation.
Maths	Area / Perimeter Measure a room(s) in your house. Can you find the area and perimeter?	Addition and subtraction Roll a dice to create 2 different four-digit numbers. Use your preferred strategy to add the numbers together. Repeat this activity but subtract the numbers (remember – biggest number first!)	Statistics Research the average temperature in Plymouth during each month. Can you create a line graph to represent these results?	Shape Write a set of instructions to tell a friend / adult to move them from one area to the other. Can you use the mathematical vocabulary of angles in your instructions?	Multiplication and division Roll a dice to create a 4-digit number and a 2-digit number. Use your preferred strategy to multiply the numbers together.	Position and direction Can you draw a map of your house, the school or an area of your choice. Plot different co-ordinates to represent key features.
SPaG	Word classes (verbs, nouns, adjectives)	Subordinate clauses	Speech	Punctuation	Adverbials	Tenses
Reading	We ask that children read at least 3 times a week. Reading consistently at home helps build children confidence, fluency and comprehension.					
	Reading comprehension pack	Reading comprehension pack	Reading comprehension pack	Reading comprehension pack	Reading comprehension pack	Reading comprehension pack

Please see attached some resources you may need to complete the above work. If you require additional work, please speak to your class teacher.
