Grace Place

Grace Place, founded by the Salvation Army, provides a safe and secure environment for over 60 individuals up to 90 days while unresolved issues are overcome. Through education, immediate needs are identified, housing stabilization plans are developed, and individuals are encouraged to be responsible for themselves and others, empowering them to become independent. The support you provide impacts lives for the better and helps create stronger futures for families in need.

Gifts for St. Croix County Inmate's Children

The Bible encourages us to reach out to those in need, especially those who are incarcerated. Everyone has value, even those who may have made mistakes in their lives. By donating gifts for inmates' children, you are responding to this call. We gather and wrap gifts for inmates, write messages from the inmates to their children on Christmas cards, include cards with the gifts, and deliver them to the St. Croix County Jail for family pick up, or ship the gifts to families outside the area.

Operation Help

Operation Help serves residents of St. Croix County, offering short-term financial aid to those in a crisis situation. Operation Help's assistance focuses on rent, utilities and car repairs to help keep people in their homes. They also connect people with other agencies or services, such as local food shelves, social service agencies, government agencies and specialized referrals. At Christmas time, they coordinate a program to provide children's gifts, food resources and household items for families in the Hudson, Wisconsin school district.

St. Pat's Charity Account

Saint Patrick Parish Charity Account has been set up to help people seeking assistance. Make checks of any amount payable to Saint Patrick Parish with Charity Account written in the check memo line, place checks in an envelope marked Charity Account, and drop in mass collections or in the lock box in the gathering area of the church marked Charity Account.

Fill The Cracks Ministry

Fill The Cracks Ministry offers a hand up to released jail inmates struggling to regain their way in society. Since Christmas Eve 2024, over 50 clients leaving jail have been helped. Your cash donations will help provide transportation, emergency shelter, and essential needs like clothes, food, cell phones, etc. Please make checks of any amount payable to St. Patrick Parish with Fill The Cracks Ministry written in the check memo line. Place checks in an envelope marked Fill the Cracks Ministry and drop in mass collections or in the lock box in the gathering area of the church marked Charity Account.
