GIN & TONIC

HENDRICKS

The iconic medicine bottle shape of the Hendrick's Gin lets you know that you're in for a quality Gin experience; and with Hendrick's you get an unexpected infusion of cucumber and rose petals that results in a most iconic gin. Served with Fever Tree tonic water.

MONKEY47

Complex, this is a powerful gin with a lot going on. Big flavours combine spice, fruit and herb flavours into a glorious flavour profile. Understandably complex, the palate finds a delicate balance between notes of juniper, citrus, sweet flowers, bitter fruit and peppery spices. Served with Fever Tree tonic water.

MALFY Rosa / Arancia

Premium Italian gin distilled using the finest botanicals, including juniper, sun-ripened citrus, and Mediterranean herbs. Inspired by the vibrant Amalfi Coast, each variety delivers a crisp, refreshing flavor. Perfect for cocktails or sipping, Malfy captures the essence of Italian lifestyle, elegance, and coastal charm.

BEEFEATER BLOOD ORANGE / PINK STAWBERRY

A remarkably clean flavour, with a bold juniper. Served with Indian tonic water, garnished with lemon and orange.

TANQUERAY

Tanqueray's London Dry Gin has a dominant junipery and piney taste with hints of lemon zest. Despite this strong juniper note, the flavors in the Gin are perfectly balanced.

SIPSMITH

Classic on the nose, but distinctive in its own right. Orange zest dripped with warmed orange blossom honey lends complexity to a nose that has a traditional piney juniper with slight hints of angelica root musk and licorice.

PLYMOUTH

Gin is a classic gin, with an appealing balance of citrus, earthiness and juniper. Completed with a pleasingly full and slightly oily mouthfeel, it is a must-try gin and should have its place on every gin shelf for both its history and the quality of spirit.

BOMBAY

Renowned London Dry Gin known for its distinctive flavour and smooth finish. Crafted with a unique blend of ten hand-selected botanicals from around the world, it's vapor-infused for balanced complexity. Ideal for classic cocktails, Bombay offers a refined, aromatic experience that's both timeless and sophisticated.
