Oyster

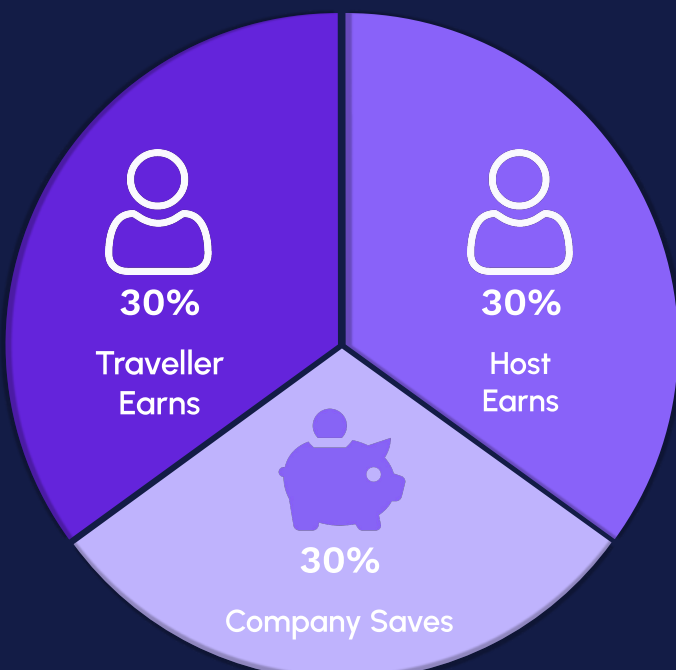

Loved by

When travelling for work, employees can stay with friends/colleagues, redistributing the hotel spend.

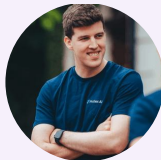

The Old Way

The Roamr Way

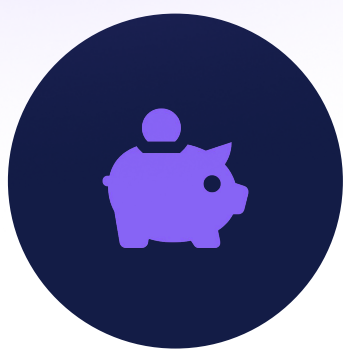

"It's a great way for us to get more out of the same spend, the team loved it"

Ciarán O'Mara
Founder, Protex AI

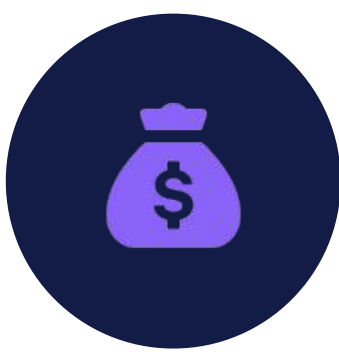

Why Finance, Travel and People teams love Roamr

30% Cost Savings
Guaranteed to Drive meaningful savings on company sponsored travel

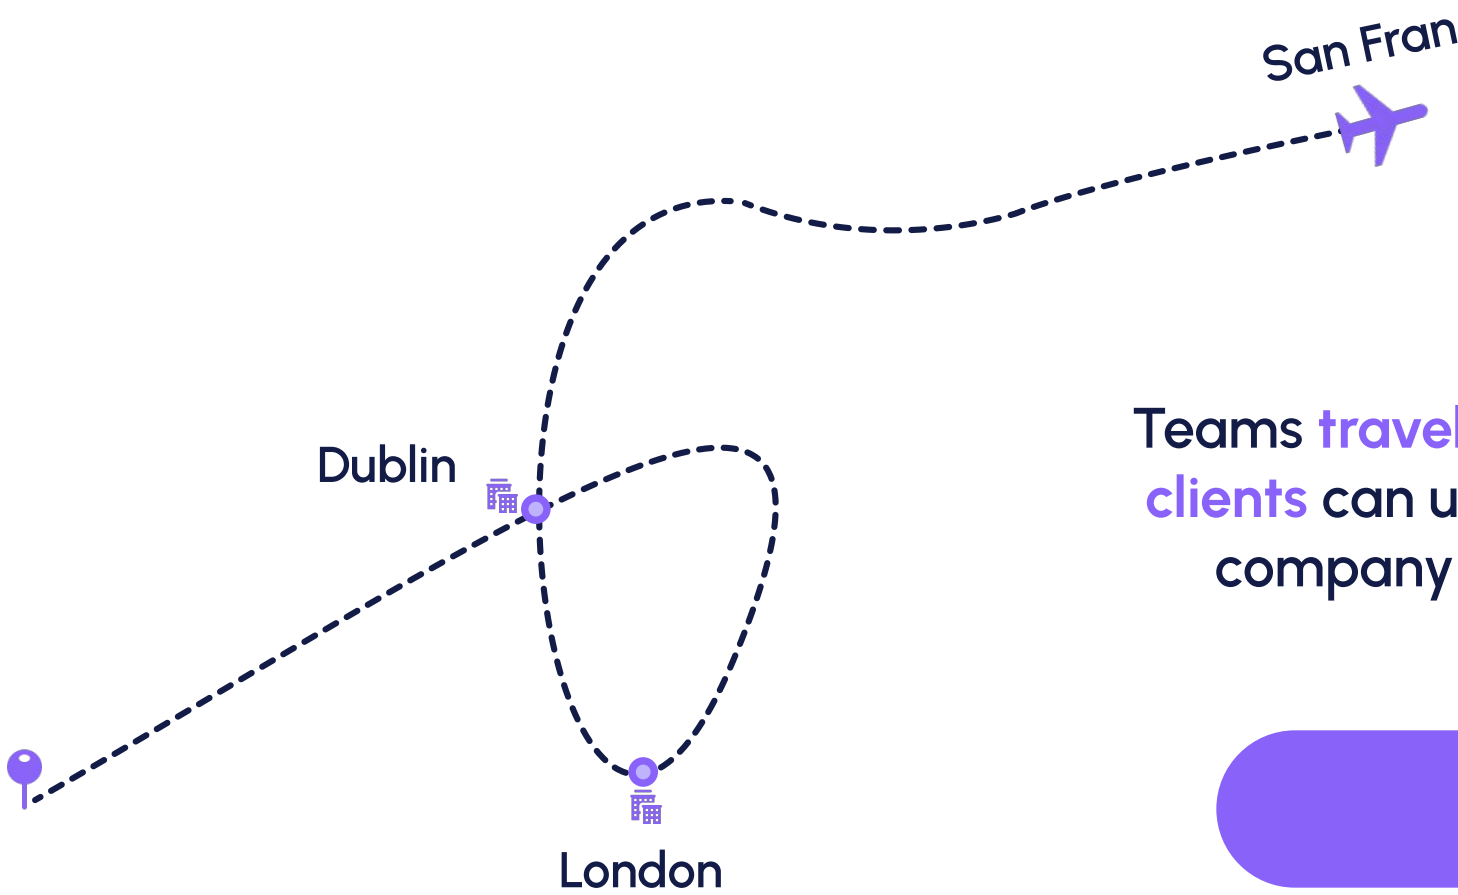

Culture improves
Distributed teams are more engaged by spending more time in-person

Employees Earn
Teams are delighted with the opportunity to drive more personal earnings

Talent
Attract and retain top talent with engaged teams and a stronger talent brand

Teams travelling between offices and to visit clients can use Roamr to save money for the company and earn some extra income
