LIQUOR/BEER

**OTHER GROC NOT
ON LIST**

* We supply some garbage bags, toilet paper, paper towel, dish soap and cleaning supplies.

Aircraft have weight limits. Please consider the following when purchasing your groceries:

- Powdered mixes, coffee cream, soup, juices and refreshments are better than canned goods because of their lack of weight and they don't spoil.
- Refreshments such as beer and pop are better if canned.

- If you are big on eating fish, you should cut down on the food order. Fresh caught fish is the top of the menu for any fisherman in the Wilderness and they will not taste any better, anywhere else in the world.
