In most instances, these fees are payable upfront at the point of registration. Where it is not practical to collect payment upfront, incidental charges will be charged in February and July.

VET Electives

Fees for external VET courses are charged to families in addition to the annual tuition fees and levies. Please note any VET government funding received by the School will be deducted from the VET fees charged.

Sibling Discount on Annual Tuition Fees

Families with more than 1 child enrolled at the school during the same year are eligible for sibling discounts. Sibling discounts are applied to the net tuition fee only.

- Second child: 10%
- Third child and subsequent children: 15%
