

GLOBAL OFFSHORE WIND SUMMIT JAPAN 2025

EVENT PROGRAM OVERVIEW

EVENT PROGRAM OVERVIEW

2025.10.15 Wed.~10.17 Fri.

Notice

1. The conference will take place in the Main Hall (Large hall) and Theatre (middle hall) of Mille Has Venue. To attend the conference, you will need a conference ticket (Type A, Type B or One day ticket), a sponsor ticket or a speaker ticket.
2. The embassy booth will be located in the foyer on the first floor of Milhas. Corporate booths will be set up in Hall A on the 4th floor of Miruhas and on the 2nd floor of Akita City Cultural Creation Center. Admission to these booth exhibition areas is free.
3. Each networking opportunity will be hosted by the embassy that will have a booth. In addition to sessions by cluster companies, there will be two hours of networking time with light refreshments.
4. The Community Consensus Building Corner is an exhibition hall aimed at community stakeholders and students. There will be model and poster displays, an experience corner related to wind power generation, as well as public and academic sessions. The Regional Consensus Building Corner is hosted by the host local government and co-hosted by JWPA.
5. During the event, participating organizations (institutions, embassies, companies) can request individual meetings with the organizers, JWPA or GWEC. Each meeting will be private and will last no more than 45 minutes.

EVENT PROGRAM DAY I

15.OCT

WED

Event	First Venue Mille Has					2nd Venue A.C.C.C.C		3rd Venue N.E.C. AU			
	Main Hall	Theater	Small Hall A	Small Hall B	Meeting Room	Exhibition Booth	Short Sessions	R. C. B. C. *			
	Conference	Conference	Exhibition Booth	Net-working	Requested Meetings						
9:00											
10:00											
11:00	Admission Reception					Inter-national Booth Exhibits	Net Working ①	Meeting with JWPA and/or GWEC			
12:00									Company Booth Exhibits	Short sessions by Exhibitors	Exhibition of models experiences poster session and public session
13:00											
14:00	• Opening Ceremony		Inter-national Booth Exhibits	Net Working ②	Meeting with JWPA and/or GWEC						
15:00	• Opening Sessions • Organizer's Speech • Keynote Speech					Company Booth Exhibits	Short sessions by Exhibitors	Exhibition of models experiences poster session and public session			
16:00	• Session S-1 • Government Policy Session: International Comparison of Japan's Ocean Wind Policy										
17:00			Net Working ②	Meeting with JWPA and/or GWEC							
18:00											
19:00			Sponsor Dinner 6:00-8:00 PM								

EVENT PROGRAM DAY 2

16.OCT THU

Event	First Venue Mille Has					2nd Venue A.C.C.C.C		3rd Venue N.E.C. AU
	Main Hall	Theater	Small Hall A	Small Hall B	Meeting Room	Exhibition Booth	Short Sessions	R. C. B. C. *
	Conference	Conference	Exhibition Booth	Net-working	Requested Meetings			
9:00	<div>● Session A-1</div> <div>• Local government panel</div> <div>: Local government initiatives for offshore wind power project development</div>	<div>● Session B-1</div> <div>• Supply Chain Initiatives No.1</div> <div>• Supply Chain Initiatives No.2</div> <div>• Supply Chain Panel</div> <div>: Solutions for Improving Domestic Procurement of Offshore Wind Components</div>	Inter-national Booth Exhibits			Company Booth Exhibits	Short sessions by Exhibitors	Exhibition of models experiences poster session and public session
10:00	Break Time (15 min.)							
11:00	<div>● Session A-2</div> <div>• Regional consensus building initiative No. 1</div> <div>• Regional consensus building initiative No. 2</div> <div>• Fisheries Panel</div> <div>: Coexistence of Offshore Wind and Fisheries / The future of statutory councils</div>	Break Time (20 min.)						
12:00	Break Time (75 min.)	<div>● Session B-2</div> <div>• Technological development of offshore wind power No.1</div> <div>• Technological development of offshore wind power No.2</div> <div>• Construction Technology and Ship Panel</div> <div>: Construction management of offshore wind development and ship availability</div>		Net Working ③	Meeting with JWPA and/or GWEC			
13:00	<div>● Session C-1</div> <div>• Efforts to ensure the business viability of offshore wind power development No.1</div> <div>• Efforts to ensure the business viability of offshore wind power development No.2</div> <div>• CPPA Panel: Issues and solutions for stabilizing offshore wind business -From the Consumer's perspective-</div>	Break Time (90 min.)						
14:00	Break Time (15 min.)	<div>● Session D-1</div> <div>• Technological development of offshore wind power No.3</div> <div>• Technological development of offshore wind power No.4</div> <div>• Offshore Technology Panl</div> <div>: Offshore Wind Compornent's Technology</div>						
15:00	<div>● Session C-2</div> <div>• Developer Panel</div> <div>: Issues and Solutions for Stabilizing Offshore Wind Business - From the Developer's Perspective-</div>	Break Time (15 min.)						
16:00	Break Time (15 min.)	<div>● Session D-2</div> <div>• Port infrastructure panel</div> <div>: Future of base ports</div>		Net Working ④				
17:00	<div>● Session C-3</div> <div>• Finance Panel</div> <div>: Issues and Solutions for Stabilizing Offshore Wind Business - From the Finance Perspective-</div>			Attraction				
18:00								
19:00				Official Dinner 6:30-9:00 PM				

EVENT PROGRAM DAY 3

17.OCT FRI

Event	First Venue Mille Has					2nd Venue A.C.C.C.C		3rd Venue N.E.C. AU
	Main Hall	Theater	Small Hall A	Small Hall B	Meeting Room	Exhibition Booth	Short Sessions	R. C. B. C. *
	Conference	Conference	Exhibition Booth	Net-working	Requested Meetings			
9:00	<div>● Session E-1</div> <div>• Current status of offshore wind power development overseas No.1</div> <div>• Current status of offshore wind power development overseas No.2</div> <div>• APAC Industry Association Panel</div> <div>: Possibility of offshore Wind industry collaboration within APAC</div>	<div>● Session F-1</div> <div>• Floating offshore panels No.1</div> <div>: Use of ocean areas for Floating Offshore Wind Power development</div>	Inter-national Booth Exhibits		Meeting with JWPA and/or GWEC	Company Booth Exhibits	Short sessions by Exhibitors	Exhibition of models experiences poster session and public session
10:00		Break Time (20 min.)						
11:00		<div>● Session F-2</div> <div>• Floating offshore panels No.2</div> <div>: Development structure for Floating Offshore Wind Power</div>						
12:00	<div>● Session E-2</div> <div>• Offshore Wind Human Resources Initiative No.1</div> <div>• Offshore Wind Human Resources Initiative No.2</div> <div>• Human Resource Development Panel</div> <div>: Challenges and Solutions for Human Resource Development in the Domestic Offshore Wind Power Sector</div>	<div>● Session F-3</div> <div>• Floating offshore panels No.3</div> <div>: Technical issues and solutions for floating offshore wind turbine foundations and components</div>		Net Working ⑤				
13:00	Closing Remarks							
14:00								
15:00								
16:00								
17:00								
18:00
