## Advice on Presentation of Entries

These tips will make your entries more pleasing to the judge's eye and help you win that coveted Village Show prize.

The tops of onions have to be folded over and tied neatly to make the exhibit look as tidy as possible

Rhubarb leaves must be trimmed down to the top of the stalk as shown

Beetroot, Parsnips and Carrots should be washed and have the foliage cut to leave stalks 3 inches long

Fruit and Tomatoes can be exhibited on the paper plates provided to enhance the look of the exhibit
