

CHAPLAINCY MISSION KJMC

Annual Funding Goal: \$20,000

WHO WE ARE

We are the Chaplaincy Mission of the KJMC Movement, serving Ukrainian military personnel since 2014. Our work combines humanitarian aid, spiritual care, and social support for those defending Ukraine on the front lines.

Our mission includes:

- Regular frontline visits
- Hospital chaplaincy care
- Social reintegration support, including:
 - assistance with documents
 - retraining for new professions
 - continued spiritual and psychological care after treatment

- Organization of seminars, charity events, and festivals to support the military

Many members of our team have received official honors and commendations from the Commander-in-Chief of the Armed Forces of Ukraine, the Minister of Defense, and military units we serve.

The KJMC members have also received a state mandate to serve as:

- the first official Jewish staff chaplain in the Armed Forces of Ukraine
- and an assistant chaplain in the Ukrainian Navy

OUR MISSION

Our core calling is to use every opportunity God gives us to share the Gospel:

- on the front lines,
- and with wounded soldiers returning to Kyiv for treatment and rehabilitation.

KEY IMPACT & ACHIEVEMENTS

- 120+ frontline trips delivering: humanitarian aid, food, protective gear and basic equipment, hygiene supplies
- Weekly hospital visits, providing: spiritual care, emotional support, moral encouragement, material assistance
- 10 large-scale “the Armed Forces Appreciation Evenings”, serving
- over 1,500 guests, including: active-duty soldiers, chaplains, officers, volunteers, families of the military

THE CHALLENGE

One of the most urgent needs today is consistent in-person ministry to soldiers who have not had the opportunity to pray with a chaplain or priest for months. Each month we personally reach approximately 1,000 soldiers.

However, due to the growing threat of drones and constant shelling:

- units have become smaller,
- where we once met 50–100 soldiers at once, today we meet only 10–15,
- which requires many more trips and significantly increases: fuel consumption, transportation costs, vehicle repairs costs

At the same time, the needs of our defenders continue to grow — and God has given us the team, experience, and trust within the Armed Forces to meet those needs.

THE SOLUTION

Your partnership will allow us to:

- provide more humanitarian aid
- organize additional frontline and hospital visits
- conduct more events to support soldiers and their families
- expand our ministry into new regions

Your support makes this mission sustainable and effective and allows us to focus on what matters most — helping more soldiers and civilians in frontline areas hear the Gospel and experience God's presence.
