

## Roof Replacement Workmanship Warranty

(10 year, 15 year, or, 30 year\*\*)

At Woodland HomeWorks, our Workmanship warranty isn't just a promise – it's our commitment to protecting your home and your investment. Every roof we install reflects our workmanship, attention to detail, and pride in delivering exceptional quality. Here's exactly what our workmanship coverage includes – so you know your roof is in the best hands.

- **Leak Protection:** We guarantee against leaks caused by installation errors.
- **Proper Ventilation:** Coverage includes the correction of any ventilation work that we've performed during the installation
- **Flashing & Sealing:** All flashing around chimneys, skylights, vents, and wall intersections proposed in contract are covered against installation-related failures.
- **Fastening & Alignment:** We ensure materials are properly fastened and aligned for both performance and appearance – and we'll fix it if not.
- **Accessory Installation:** Items installed by us including: skylights, drip edge, pipe boots, exhaust vents, installed by us are covered for proper fit and sealing.
- **Repair & Labor Costs:** If a covered issue occurs, we handle all related labor to correct the problem at no cost to you.

*What's Not Covered:* Our Workmanship Warranty does not cover storm damage, falling debris, manufacturer defects, alterations by others, or flashing or excluded work explicitly outlined in the contract.

**Your home deserves more than just a roof – it deserves the peace of mind that comes with knowing it was installed by Woodland HomeWorks. Our Workmanship warranty ensures that if an installation-related issue arises, we'll make it right – promptly, professionally, and at no cost to you.**
