The Meadow Difference

Meadow offers transparent, simple cremations and thoughtful, personalized memorial services for less effort and money than going with a traditional funeral home. We are a licensed funeral home that offers 5 star service at a fair price.

We care deeply about the work that we do, and take the responsibility seriously. We treat each client as if they were our own family, and do our best to go above and beyond in your time of need.

The Federal Trade Commission, and most consumer groups, encourage consumers to get competitive prices before making major purchases. Meadow also encourages consumers to compare prices and services offered when selecting their funeral services. Our staff will be pleased to answer any questions you may have about our prices and services to help you make your comparison – we think you will find our offering pretty unique.

Below, you'll find pricing for our 3 main packages:

- Meadow Signature Cremation Package
- Meadow Basic Cremation Package
- Meadow Funeral Package (LA only, body present)
