ART INSTALLATIONS:

DRAGONIAN DOMECILE

Created by Eugene Zeleny & Ri Dresser, this installation doubles as an interactive
motion-sensing puppet and a place of respite. Inside you'll find shade, cozy floor
pillows, and dragon eggs containing gifts for your travels.

THE MOSS SPINNER

Created by Elsa the Fool, this woodland installation can be found amidst the trees.
Inspired by food, music, and nature, Elsa is a mixed media maker with a love for
finding the whimsy in chaos.

THE FOLLOWERS

Created by Svetlana Yuzhelevskaya with Boston-based artists, this contemporary
reinterpretation of the Pied Piper of Hamelin represents the seductive power of
artificial intelligence and the technologies that capture our attention.
