Local Delivery Available \$100 Please provide delivery address, marina name and/or slip # if delivery is requested:

Payments:

Payment is expected and due in full upon receipt . Invoices will be sent via email. A \$500 deposit is required to secure launch date and begin work. Please provide an email address at the top of the other side of this sheet.

Any payments past 30 days due will incur a 2% late fee.

You will be responsible for any legal/attorney/collections fees incurred by Lashley Marine to collect any past due balances.

If your deposit is not received, we will not schedule your spring launch.

We will charge a 3.5% fee to process any credit card payments which does not exceed our costs to process cards.

Spring Launching Terms & Conditions:

We do not allow outside contractors to perform any services on our lot without written permission and certificates of insurance. Boat owners may perform minor services such as washing. Boat owners may not perform any service work including commissioning, removing shrink wrap etc. Boat owners may not use ladders owned by Lashley Marine Services.

We are not responsible for anything left on your boat. This includes dock lines, electronics, fishing equipment, covers, etc.

All boats being launched must be picked up within 1 week (7 days) of completion.

After 7 days our storage rate is \$3/ft per day.

There will be a \$50 shop charge per invoice to cover the cost of misc. Materials used to commission/service your boat.

Any parts/materials supplied by the customer may not be used at the technicians discretion. Any parts/materials provided will not be warranted by Lashley Marine Services. Lashley Marine Services will not be held liable for failures/damages caused by customer supplied parts/materials.

Shrink wrap disposal fees are required and are imposed to cover the cost of labor to remove and disposal.

Boat owners may not remove or dispose of shrink wrap themselves. Boat owners may not use our dumpster for any materials or anything other than general trash.

It is your responsibility to communicate any issues you have that will need attention at Spring start up.

We reserve the right to charge for moving, re-blocking, and or transporting.

We may not accept certain boats for service. The boat must be structurally sound for haul and no derelict vessels will be accepted for service, hauling, etc. The boat must come/go under its own power. We may ask for a current survey prior to taking the boat in for service.

Only work requested by the boat owner will be performed. Any additional work needed will need written approval and or parts deposits.

Spring dates are not guaranteed.

All balances must be current to schedule Spring launch including any open balances to Boat Yard Marina for storage.

Weather and other forces beyond our control may conflict with your desired date.

I agree to and understand the terms and conditions above.
