FAQ

1. Do your lodges come fully furnished?

We offer the option of full furnishings, allowing you to step into a fully equipped and ready-to-enjoy living space. While this choice does come with an additional cost, it provides the convenience of a streamlined experience, ensuring that your lodge is not only beautiful but also functional from day one.

2. Are your builds built to BS 3632:2023 standards?

YourRetreats park homes and luxury lodges adhere to BS 3632:2023 standards, which encompass various improvements. These include measures to reduce heat loss through the external structure, improved ventilation, and vapour control to minimise condensation risks within the home's structure. The updated standard also incorporates advanced safety features and provides clearer guidance for manufacturing.

3. What is your build time?

Our typical build time falls within the range of 6 to 12 weeks dependent on your final lodge choices. During this period, our dedicated team of experts diligently works on constructing your lodge to the highest standards of quality and precision.

4. Are your homes energy efficient?

Indeed, sustainability and energy efficiency are at the core of our designs. Every one of our homes is meticulously crafted with eco-friendliness in mind. We integrate innovative technologies and practices to minimise energy consumption, reduce environmental impact, and ultimately create living spaces that contribute to a greener future.

5. Can I see one of your lodges?

Yes, we offer a full factory tour experience, in which you can see all of our products. Our expert guides will be on hand to answer any questions and provide you with a deeper understanding of the quality and attention to detail that goes into every lodge we create. It's the perfect way to experience firsthand the excellence that defines YourRetreats.
