YOUR NEIGHBOR IS HUNGRY

Hunger is invisible — and it can affect anyone, regardless of where you live, how old you are, or how you appear. In Kentucky, 1 in 8 people are unsure of where they will get their next meal. In Central and Eastern Kentucky, it is 1 in 6.

Our food bank serves over 500 pantries and meal programs in 50 counties across the state.

GET INVOLVED

With every dollar we receive, we are able to provide seven meals.

To register to volunteer yourself or a group, donate, and learn more, visit godspantry.org/getinvolved

MAKING HUNGER VISIBLE
Food is an essential source: for growth, for strength, for life. It is a human right. As advocates, we champion better access to food and work to get more people involved. Because ending hunger takes us all.

**OUR VALUES**

**Advocate**  
We use our voice to help. With relentless hearts and a strong voice, we work hard to make things better than before.

**Support**  
We see the joy, we see the hope, and we see the need. Whether invisible or right in front of us, we meet everyone where they are.

**Collaborate**  
We are a community that builds community. We work together to get the job done and to transform lives.

**Act**  
We show up positive and ready to take on any challenge. As persistent problem solvers, we have the resources to push forward and find answers.
