WAYS TO HELP

Support our work in the fight against hunger. Donations, volunteers, and advocates help us amplify our impact and reach more neighbors.

DONORS

Donations have a big impact by helping us buy essential food, keep our operations running, and assist more families in need.

VOLUNTEERS

Volunteers are crucial to our community efforts. We offer various opportunities, and recurring commitments ensure consistent support.

ADVOCATES

Your voice can make a difference in local, state, and federal hunger-relief policies.

DONATE

Every gift makes an impact.

For each dollar you donate, we can provide four nourishing meals for neighbors experiencing food insecurity.

With four warehouses strategically located across our 50-county service area, we can extend the reach of food purchased or donated to us.

Your gift helps us fill our distribution centers and ensures that our neighbors across Central and Eastern Kentucky will have access to nutritious food.

VOLUNTEER

Join us in the fight against hunger.

We offer a variety of volunteer opportunities to fit your interests and availability.
