EXPERIENCE

2019-2023
Creative Content Manager
MinsterFB / Amazon Ecommerce Agency

- **Brand Management:** Successfully oversaw 100+ brands (for clients such as Premiere Foods, Baylis & Harding, and Tetrosyl) integrating with content-management systems, analysing data, and crafting tailored creative strategies. I also mentored a team of 20 account managers to enhance design approaches.
- **Data-Driven Creatives:** Utilised advanced SEO and advertising data, resulting in substantial increases in product conversion rates. My approach is not just creative but also driven by actionable insights.
- **Innovative Solutions:** Developed custom solutions using web-scraping, automation, and AI image-generation, allowing for high quality content on a large scale. I've always had a forward-thinking mindset for cutting-edge content services.

2017-2018
Production Assistant
MindsEye / Commercial-Production Company

- **Team Leadership:** Assembling Large Crews of up to 100 in many departments, addressing their individual scheduling, budgeting, and communication needs within the 1-2 week deadlines.
- **Project Management:** Simultaneously handled multiple projects in different countries, showing effective communication and adaptability in dynamic & fast-paced environments.

2010-2017
Various Work In The Film & Television Industry

- **Diverse Skill Set:** Acquired a wide range of skills in almost all industry departments, I have an expert understanding of everything involved in the creative process.
- **Awards and Recognition:** Produced, edited, and crowdfunded a multi-award-winning film with a BAFTA-nominated Director, receiving eight laurel awards, including Best Short Film
- **Division Leadership:** Led the youth-filmmaker division at a CIC at the age of 14, for which I was filming and editing short documentaries about community projects.
