Camper Code of Conduct

The Beach Hangar is dedicated to fostering a safe and welcoming environment. In order to provide this environment, The Beach Hangar has implemented a Camper Code of Conduct to ensure the well-being of each camper.

Safety

Camper safety is our number one priority. If we see behaviour from campers that in any way impacts the safety of other campers, we will have to send the camper home.

Sportsmanship

Campers are expected to listen to coaches, follow rules, and work with other campers. This applies to general drills, skills, activities, and game time.

Respectful

Campers are expected to be respectful of the facility, coaches, and other campers. We are a 100% hands off CAMP, where any form of harassment is not tolerated.

Give Things a Try

CAMP coaches will push campers to give everything at least one try. Even if it is a sport a camper might not like, our coaches will work to ensure that everyone gets the chance to try.

100% Hands-Off Policy

All campers must participate and engage in the “Hands-Off” policy during CAMP at The Beach Hangar. Examples of actions that will not be tolerated are; pushing, shoving, hitting, any unwanted or unconsented touching toward another camper or staff member.

We ask that campers stay off their devices during the day.

Parents/guardians, please help us communicate this message to your children to help them prepare for CAMP!

If any camper is unable to follow the code of conduct and compromises our ability to provide a safe and inclusive environment, disciplinary actions will be put into place. The CAMP Director will discuss with the parent/guardian the best solution to the problem.

Because this is a sports CAMP, things can get competitive. Our CAMP coaches will work with the campers each day to ensure that we work through frustration or competitiveness and find ways to come together, respect each teammate, and have fun.

FAQ's

Can I add lunches to registration after I complete it?

Yes! If you would like to add anything to your campers registration, contact info@beachhangar.ca and we will help.

What sports do you play each week?

Campers can look forward a wide variety of sports each week: volleyball, soccer, badminton, flag football, corn hole, spikeball and so much more.

Do the campers do anything off site during the CAMP?

The only time campers will exit the Beach Hangar facility is to go across the street (Robins Hill) to access the green space. They will be lead and accompanied by CAMP coaches.

What should I send with my camper each day?

Get ready for a fun, active day that will involve a lot of sand and plenty of movement! Be sure to bring a water bottle to stay hydrated. We have foot baths available to rinse off after camp, so you may want to pack a towel as well. For a full day of activities, including time outdoors, we recommend bringing plenty of snacks, water, sunscreen, and a hat. We can't wait to see you there!

Do you have a lost and found?

Lost & found items will remain at the Camp site until claimed by the owner or the end of the summer.

(Exception: socks and underwear will not be kept.) Items may be claimed by appointment between 9AM and 4PM. When the season ends, the Beach Hangar will dispose of unclaimed items. There will be a table of lost and found items the Friday of CAMP!
