Two Lounges One Office Club

With the addition of one extraordinary location, Aurora Lounge now expands into a curated concept of two exclusive lounges, each rooted in historic architecture and cultural heritage.

From the neoclassical elegance of Aurora Lounge at Kongens Nytorv to the maritime grandeur of Langelinieskuret, our members are invited to enjoy the full spectrum of beauty, atmosphere and function that defines the Office Club experience.

Each location offers a distinct sensibility – and yet, together, they form a cohesive offering: sophisticated, secluded, and deeply inspiring.

We encourage our members to explore both lounges – for work, for reflection, for conversation, and for pleasure.

Your key opens more than one door.

Location

Whether you find yourself in the heart of the city or by the open water, Office Club Lounge offers spaces that are as distinct as they are connected.

At Kongens Nytorv, Aurora Lounge places you at the centre of Copenhagen's cultural life, neighbours include the Royal Theatre, Charlottenborg Castle and Nyhavn. From here, the city unfolds in every direction, yet inside, calm and elegance reign. A private courtyard makes it a hidden gem for summer meetings or coffee in the shade.

At the very edge of the Øresund, Langelinieskuret welcomes you with light, air and history. Once part of the Freeport, the listed building today offers a rare vantage point over Copenhagen's maritime past and future. Ideal for hosting, reflecting or simply enjoying the grandeur of the sea.

Wherever you begin, each lounge is an invitation to use the city differently.

*For those who value
the finer things in life*

Part of family owned Karberghus

Office Club and Aurora Lounge are founded and run in alliance with Karberghus – a family-owned real estate company dedicated to preserving the architectural and cultural heritage of Copenhagen.

Since 1917 the family Karberg's enduring passion for history has continuously yielded a distinguished portfolio of listed buildings now serving mainly as commercial rental.

The respectful restoration and continued use of cultural heritage is what keeps it alive, and endeavours to that effect has fostered esteemed and invigorating collaborations with the Danish Agency for Culture and Palaces, conservators and artists, cultural and architectural heritage experts and architects and craftsmen all specializing in the utilization of traditional, sustainable building materials and techniques.
