We believe that our employees should be paid a fair living wage without having to rely on the unpredictability of receiving tips. As such we do not apply a tip credit to our food service workers' wages and our staff is compensated at rates that far exceed industry average. To make this change, we have increased our menu prices in order to provide these raises to our staff. No portion of the increased prices should be considered to be tips that are distributed to food service workers as a gratuity
