These fees and taxes may change without notice.

Outside alcoholic beverages (including wine) are prohibited by our liquor license. Note that all unconsumed food will remain at Le Fou Fou at the conclusion of each event.

Le Fou Fou event cards are created specifically for each event. Unused portions of the Event Cards are not transferable and will expire at the end of each event.

ALLERGIES & INTOLERANCES

Le Fou Fou can provide information about appropriate menu items for guests with Allergies and Intolerances. We require three-weeks notice to create an alternative menu for an event. Due to working with multiple vendors and kitchens, Le Fou Fou cannot guarantee accommodating every allergy and intolerance or maintaining a completely allergen-free environment to the safety and satisfaction of our guests.

**FEES &
MINIMUMS****SEMI-PRIVATE GROUP RESERVATIONS**

For semi-private events, we reserve tables within a section of Le Fou Fou appropriate to the size of the group. The individual vendors will remain open throughout the food hall and other tables will be occupied by regular Food Hall guests who will have unrestricted access to our bars and vendors. Dedicated event bar service is available for an additional fee (see pricing above). Semi-private fees exclude the booking of Eva's or Tiramisu.

**EXCLUSIVE
EVENT
BOOKINGS**

Le Fou Fou accepts reservations for exclusive events within the food hall. We offer a variety of dining and ordering options that allow your guests to experience Montreal's finest chefs and restaurateurs all under one roof. However, as a collective of independent businesses, we must ensure that these events do not negatively impact our vendors and partner businesses. For that reason, we require limited rental and exclusivity fees to ensure the events we book maintain the same level of profitability and revenue as our standard walk-in business.

Vendor minimum spend: This fee allows us to pause the walk-up vendor service of the kitchens adjacent to the specified event space to create a fully closed area accessible only for your guests. This fee goes directly to our vendors to offset the cost of their normal operation during the exclusive event. The total fee depends on the number of vendors needed to be closed to maintain the level of exclusivity requested.
