

Purchasing POINT Tickets via the Greyhound or FlixBus Websites (Eastern and SouthWest Routes only)

Website link: <https://www.greyhound.com> or <https://www.flixbus.com>

These are instructions for purchasing a POINT bus ticket on either the Greyhound or FlixBus websites. As both of these services are owned by FlixBus, their websites are essentially the same.

Step 1

Begin on Greyhound's home page by selecting your origin and destination stops as well as your departure date and number of passengers, followed by your return date if you are making a round-trip purchase.

The image shows two screenshots of the Greyhound/FlixBus booking interface. The top screenshot shows the main booking form with fields for 'From' (Klamath Falls, OR), 'To' (Medford-Ashland, OR), 'Departure' (Tue, Nov 4), and 'Passengers' (1 Adult). A red circle highlights the 'Passengers' dropdown menu, and a red arrow points to it. The bottom screenshot shows the expanded 'Passengers' menu with options for 'Adults' (1), 'Child' (0), 'Bikes' (0), and 'Travel in your wheelchair' (0). A red circle highlights the 'Travel in your wheelchair' option, and a red arrow points to it.
