

Purchasing POINT Tickets via the Amtrak Website

Website link: <https://www.amtrak.com/home.html>

Step 1

Begin on Amtrak's home page by selecting your origin and destination stops as well as your departure date, followed by your return date if you are making a round-trip purchase.

The screenshot shows the Amtrak website's search interface. At the top, there are tabs for "One-Way", "Round-Trip", "Rail Passes", "Auto Train", "Hotels & Cars", and "Other Options". Below these, there is a search bar with fields for origin, destination, departure date, and return date. The origin is set to "PDX Portland, OR Union Station" and the destination is set to "EUG Eugene, OR Amtrak Station". Both are circled in red with arrows pointing to them. The departure date is "7/14/2021" and the return date is "7/15/2021". A green "FIND TRAINS" button is on the right. Below the search bar, there is a "1 Traveler" dropdown and an "Advanced Search" link.

When selecting your origin and destination stops, be sure to select only stops which are served by the POINT. For example, you will want to select "Portland, OR – Union Station" from the drop-down menu instead of "Portland, OR – Greyhound Bus stop," which is a stop served by Greyhound and not by our buses.

The screenshot shows the origin station dropdown menu. The text "Portland, OR" is entered in the search bar. Below it, a list of stations is shown: "Portland, OR - Greyhound bus stop (PDG)", "Portland, OR - Portland International Airport (PDA)", and "Portland, OR - Union Station (PDX)". The last option is circled in red with an arrow pointing to it. The "To" field is empty, and the "Depart Date" and "Return Date" fields are also empty. A green "FIND TRAINS" button is on the right. Below the search bar, there is an "Advanced Search" link.

For help with selecting the correct stops, refer to the Routes and Schedules page on the POINT website: <https://www.oregon-point.com/routes>.

Select the number of travelers and traveler type (Adult, Youth, Child, or Infant).

The screenshot shows the Amtrak search interface. At the top, there are tabs for 'One-Way', 'Round-Trip' (selected), 'Rail Passes', 'Auto Train', 'Hotels & Cars', and 'Other Options'. Below the tabs, the origin is 'PDX Portland, OR Union Station' and the destination is 'EUG Eugene, OR Amtrak Station'. The dates are '7/14/2021' to '7/15/2021'. A green 'FIND TRAINS' button is on the right. A red arrow points to a dropdown menu labeled '1 Traveler'.

From this list, you may also select from a list of applicable discounts:

The screenshot shows the 'Travelers' dropdown menu. It has a 'Clear' button at the top right. Below it are four options: 'Adult 16+', 'Youth 13 - 15 | Traveling Alone?', 'Child 2 - 12', and 'Infant Under 2'. Each option has a minus sign, a number, and a plus sign. The 'Adult' option has a number of '1'. Below these options is a section titled 'Discounts' with an information icon. A red circle highlights the 'Discounts' section, which shows 'Traveler 1: Adult' and a dropdown arrow.

The screenshot shows the 'Discounts' dropdown menu. It has a title 'Discounts' with an information icon. Below it is 'Traveler 1: Adult'. The dropdown list shows four options: 'Adult', 'Rail Passengers Association', 'Active US Military', and 'Military Veteran'. Red arrows point to the first three options. A vertical scrollbar is on the right side of the dropdown list.

When you are finished, select "Find Trains."

If you require a wheelchair or other accommodations, check the box shown in the example below. Amtrak will then prompt you to answer additional questions about your traveling needs after you select “Find Trains.”

Step 2

Next, select which POINT bus you will ride depending on the time you would like to depart.

POINT buses on the NorthWest and Cascades Routes will always be represented by a four-digit number beginning with two fives, which will look like “55##.”

POINT buses on the Eastern and SouthWest Routes will always be represented by a four-digit number beginning with an eight, which will look like “8###.”

In this case, for a trip on our Cascades Route, you would select “5541 Connecting Bus” or “5543 Connecting Bus” circled in red in the *screenshot below*:

PDX → EUG		Compare Fare Types ⓘ ^
