This vehicle history report is based on information (https://www.carfax.ca/vehicle-history-data) that was reported and available to CARFAX Canada as of September 09, 2025 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. There may be other information about this vehicle that has not been reported to CARFAX Canada. When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

## **Vehicle History Report**

### CARFAX Canada No Reported Accidents™ Badge

The CARFAX Canada No Reported Accidents based on the damage records and/or branding information reported to CARFAX Canada. The badge is available for personal vehicles that have only been registered in Canada, and were not, at the time this report was generated, declared stoler

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this wehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but not responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers shall be liable for any losses, expenses or damages in connection with any report or may information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information, other information, other information, other information, other information, other information date information, or make a better decision about your next used car. 8) potabulting, reviewing of which is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a wehicle inspection and test drive, to make a better decision about your next used car. 8) potabulting, reviewing of various providers in the subject matter of this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use an
