Health Update

I don't know if my pants are feeling loose
because I'm losing weight or the elastic is
finally giving up the fight.

Happy or Not – Update

Our new **Happy or Not** feedback system is now available in the Bistro and Main Dining Room! We are still working through a few technical issues with the **comment feature**, but in the meantime, we encourage you to let us know how we're doing by simply selecting the emoji that best reflects your dining experience.

Thank you for your patience as we fine-tune the system. Your feedback helps us recognize what's working well and identify opportunities to make your dining experience even better.

Did You Know?

On **weekends, evenings, or holidays**, if you're unsure whether an issue can wait, **please contact the Front Desk first**.
