# King'sBridge Crest

## A Community That Cares

The generous donations and contributions for this year's **2nd Annual Back-to-School Supply Drive** show just how special King'sBridge residents are! The heart of this community is truly the residents.

With all of our community service projects, the Back-to-School Supply Drive seems to warm my heart the most. Over **70 residents and King'sBridge family members** gave monetary donations and contributed countless school supplies. The giving didn't stop just because the event ended—donations were still coming in well after **6:00 PM!**

This year, we are able to help **more than 40 employees** with school-aged children and grandchildren start the **2026–2027 school year** off with a bang. Together, we are providing backpacks and school supplies for **89 children!** Wow! It is so important to note that this does not happen without the residents. **Thank you for being cheerful givers!**

A huge thanks to **Mary and Maggie** in Activities for perfectly executing the vision with their decorations and organization. **Jake and the Dining Services team**, thank you for providing the ice cream bar with all the delicious toppings. I'll see if I can get smaller spoons for next year!

The fabulously dressed **llamas** in the Pavilion were, once again, a huge hit! **Darlene**, thank you for this amazing idea. The llamas provided entertainment and wonderful photo opportunities for residents, families, friends, and staff. And we're happy to report there was **no llama drama** with Kevin getting smooches this year...there's always next year!

*Maya Angelou said, "When we give cheerfully, and accept gratefully, everyone is blessed."*

Thank you for being a blessing.

## The Tale of the Very Short-Term Residents

If you've been looking for our newest aquarium fish...you're not imagining things. They really were there!

Our newest finned friends checked into King'sBridge, took one look around, and apparently decided retirement wasn't for them. By the very next day, they had swum off to that great aquarium in the sky.

The timing couldn't have been more ironic. The Dining Room happened to be serving fried fish that day, and by afternoon the rumors were swimming almost as fast as the fish had! Thankfully, our aquarium contractor explained there are several possible reasons, including that the aquarium may not have had enough time to adjust to its new rocks before welcoming its newest residents.

The good news? We'll be trying again soon. In the meantime, we've already asked Dining Services not to serve llama on the day our special four-legged visitors come to King'sBridge.

Thankfully, they honored our request this past Wednesday!

Sometimes life at King'sBridge is simply too funny to make up.

At the end of the day, it's not about what you have or even what you've accomplished. It's about who you've lifted up, who you've made better. It's about what you've given back.

### ☺❤ **Laughter Is Good for the Soul**

One of the best parts of living and working at King'sBridge is the laughter we share every day. This week, one of our residents spotted longtime Dining Room server **Isaac Brown** and proudly announced, "Isaac Brown, Isaac Brown, the best darn server in the whole darn town!" Isaac couldn't help but smile. Then, with a twinkle in his eye, the resident delivered the punchline: "...Except when he's serving me!"

Everyone laughed—including Isaac.

Moments like these remind us that a little good-natured teasing, shared with kindness and friendship, can brighten someone's day. It's these relationships, the smiles, and the laughter that make King'sBridge feel less like a workplace or a residence and more like a family.

### 🌸❤ **A Heartfelt Farewell**

*King'sBridge is the most wonderful place to live. Thanks to the employees for doing such a great job to make it that way, and thanks to the residents for being so nice & kind. I enjoyed 4 years of living here. My son and my daughter want me to move into my son's guest house and be close to them. I want to say goodbye to everyone and I will miss you very much.*

*God Bless all of you,  
Rebecca Goux*

Starring **Ellen Burstyn, James Caan, Ann-Margret, Jane Curtin, Christopher Lloyd, and Loretta Devine**, *Queen Bees* follows a fiercely independent woman who reluctantly moves into a retirement community after losing her home. What begins as a temporary stay soon blossoms into unexpected friendships, second chances, and even a little romance. Filled with laughter, warmth, and plenty of familiar sights, this is one movie you won't want to miss!

- I'm NOT too old to sit in a beanbag chair.
- I'm too old to get out of a beanbag chair...

 **Missing: Several Green Umbrellas**

Last seen standing faithfully by our entrances... ready to rescue residents from unexpected rain showers. Since then, they've apparently become very comfortable visiting apartments around King'sBridge!

If one of our **green King'sBridge umbrellas** has decided to extend its stay with you, please send it home. They were only meant to be borrowed for a little while so everyone can enjoy them when the skies turn gray.

**Please check your apartment, car, or closet and return any green umbrellas to the nearest entrance.** Their friends miss them—and so do we!

Each new pattern gives your brain a little extra exercise! Instead of simply listening for numbers, you're also watching for shapes, planning your next move, and staying focused on the pattern you're trying to complete. Those added challenges help engage memory, concentration, and visual thinking—all while having fun with friends.

The best part? You probably won't even notice you're giving your brain a workout. So the next time you hear "Pattern Bingo," join us for a little laughter, friendly competition, and a fun way to keep your mind active!
