King'sBridge Crest

October Is Looking Good at King'sBridge!

There's something about October that makes you want to **get out, join in, and have a little fun**—and we're going to give you plenty of opportunities! This month is packed with live music, outings, lectures, art, food, friends, volunteer projects, and some special fall fun along the way.

We'll celebrate **Spirit Week** and our **King'sBridge Fall Festival**, welcome plenty of favorite performers, take a few trips, continue making blankets for Children's Healthcare of Atlanta, and fill the calendar with everything from jazz and art history to barbecue, shopping, crafts, and Bingo. And, of course, we'll finish things off with a **Halloween Party and Costume Parade!**

So take a look at your October calendar, circle a few things you haven't tried before, and make plans to join us.

While we're enjoying October, we'll also be **planning for something exciting in November**. After the wonderful response to **Purpose Palooza**, we're getting ready to put some of those ideas into action! Plans are underway to pack weekend food for schoolchildren through **Backpack Buddies**, begin tutoring children from Spanish-speaking families through **LaAmistad** and knit hats and mittens for **North Fulton Community Charities**.

Missed Purpose Palooza? You haven't missed your chance!

There's still time to ask questions, learn more, and sign up. October will be a month for planning—and in November, we hope to see many of these new opportunities to serve begin!

A Note from Maintenance

As cooler weather arrives, you may notice a **slight burning or dusty smell when you turn on your heat for the first time.** This can happen as dust that has collected in the heating system burns off and should go away after a short time.

If the smell is strong, continues, or you have any concerns, please contact the Front Desk so Maintenance can take a look.
