any team, any sport!

 **TUESDAY — Hat Day**

Team hat, fancy hat, funny hat, old favorite—if it goes on your head,
wear it!

 **WEDNESDAY — Wacky Sock Day**

Pull out your wildest pair—or create your own by wearing **two socks that definitely don't belong together!**

 **THURSDAY — Superhero Day**

Batman? Superman? Wonder Woman? Or dress in honor of a
real-life superhero you admire.

 **FRIDAY — Favorite Color Day**

It's Fall Festival Day! Pick your favorite color and **wear it proudly from head to toe—or anywhere in between!**

This is your week to be a little silly and **flaunt your fun side.** We'd love to see **100% participation—and yes, we WILL be taking pictures!** 📷

 **THE 2026 KING'SBRIDGE FALL FESTIVAL!**

Friday, October 16 | 2:00–4:00 PM

Remember last year's Fall Festival? **Bacon Bits**, our tiny pig visitor...the flavored popcorn from Alex and Jamar...the games, food, animals, and fun, the cotton candy?

We're bringing it all back—and adding even more!

This year, come take your best shot at sending **Mary or Maggie into the Dunk Tank!** Enjoy delicious food from **Jake Warren and the Dining Services team**, meet a whole new group of animals (last year's babies have grown up!), browse items for sale, challenge your friends to a game—or simply find a comfortable spot and enjoy all the action.

There's something for everyone, whether you want to **play, eat, shop, visit, cheer, or just sit back and watch the fun.**

Come one, come all to the 2026 King'sBridge Fall Festival!

And don't forget—it's Friday of Spirit Week, so **wear your FAVORITE COLOR!** 🌈

♥ From the Heart

Thank-You Message from Bruce, Mary, and Marian

Bruce, his wife Mary, and their daughter want to extend their heartfelt thanks to the entire King'sBridge team for helping make the National Bleeding Disorders Foundation's (NBDF) presentation of the 2026 Humanitarian of the Year Award to Dr. Bruce Lee Evatt such a special occasion.

The full room, the warm welcome, and the smooth coordination made the afternoon truly special for Dr. Evatt, his family, and all the former colleagues and neighbors who joined us. Your efforts helped create an unforgettable moment for everyone involved, and we are deeply grateful.

It meant the world to Dr. Evatt to celebrate this honor surrounded by his wife, Mary Powell Evatt, his daughter, former neighbors, longtime colleagues from the CDC and Emory, members of his past teams, and the King'sBridge community. He also deeply appreciated the congratulatory cards and warm wishes from King'sBridge neighbors who were unable to attend. The turnout, enthusiasm, and thoughtful gestures were a testament to your work in publicizing the event and welcoming everyone so warmly.

Thank you again for helping create such a meaningful evening for Bruce.

With appreciation, Bruce, Mary, and Marian (Leslie)

Breast Cancer Awareness Month

October is Breast Cancer Awareness Month—a time to raise awareness, show support, and honor those affected by breast cancer. Wearing pink is a simple way to stand together, spread hope, and remind others of the importance of regular screenings and early detection.

Throughout the month, let's wear pink with purpose, support those on their journey, celebrate survivors, and remember those we have lost. Together, we can help make a difference and encourage hope, strength, and awareness. 💖 🧢

King'sBridge Goes Pink! Wear your PINK shirts, pants, hats, headbands, socks, wristbands, pins and brooches on October 23!
