Let's Celebrate

🥁 DRUM ROLL, PLEASE!

🎉 Exciting Changes Are Coming to Our Community!

We have some wonderful news to share, and we couldn't be more excited!

Please join us in congratulating **Mary Moccia**, who is transitioning from Activities Coordinator for Assisted Living and Memory Care to **Activities Manager!**

Mary will be moving into the Activities Office in Room #112 and expects to be fully settled into her new role by the end of November. In the meantime, you may see her wearing several hats as she helps make this transition a smooth one!

🥁 But wait—there's MORE to celebrate!

Maggie Kancheva will be stepping into the role of **Assisted Living Activities Coordinator!** Maggie will bring her experience, creativity, and leadership to this important position, focusing her talents on enriching the lives of our Assisted Living residents.

🌟 And we're not finished yet!

We are also searching for someone to fill a newly created Memory Care Activities Coordinator position, allowing us to provide even more specialized attention and meaningful programming for our Memory Care residents.

While each position will have its own area of focus, collaboration will remain at the heart of everything we do! Our team will continue working together to bring engaging programs, special events, and wonderful experiences to the entire King'sBridge community.

New roles, fresh opportunities, and the same commitment to making every day at King'sBridge something special!

Please join us in congratulating **Mary and Maggie** as they begin these exciting new chapters! ❤️

We are privileged to have so many Veterans among our King'sBridge family, each with a unique story of service.

A list of our King'sBridge Veterans is posted outside Edde's Office. Please take a moment to review it and help us ensure that no one has been overlooked. To all who have served, we salute you, we honor you, and we thank you! ❤️🤍💙

❤️ A Friendly Reminder — Showing Our Staff Some Love!

We know how much our residents appreciate our wonderful King'sBridge staff, and we love that you want to show it! Just a gentle reminder that direct tipping is not permitted and could put a staff member's job at risk. The Staff Appreciation Christmas Fund is the approved way to share your gratitude with our team. And never underestimate the power of a heartfelt note or card to recognize someone special!

Your kindness means so much—thank you for showing it in ways that protect and celebrate our staff! ❤️

I heard a high schooler say, "There is no way our parents wrote a 10 page book report without AI...Honestly, we wrote them the night before they were due, without reading the book, by hand, and in cursive.
We are not the same.
