## Adaptable Elegance in Seating

AltAir's design is both functional and aesthetic, making it suitable for various settings. Its contoured body offers maximum comfort, ensuring it's not just a chair, but a haven of relaxation. Whether you're lounging in a casual space, brainstorming in a collaborative area, dining in a canteen, or engaging in a meeting, AltAir fits right in, adding a touch of elegance to every space.

## Built to Last, Designed to Impress

Constructed with a strong polypropylene frame, AltAir is not only stylish but also incredibly durable. It's designed to withstand the rigours of everyday use while maintaining its sleek, contemporary look. The chair's smooth lines and modern silhouette make it a visually appealing addition to any room, reflecting a blend of sophistication and endurance.

## A Chair for All Occasions

AltAir is more than just a seating option; it's a versatile asset that enhances the functionality and style of any space. Its design supports a variety of postures, catering to both short-term seating for quick meetings and long-term comfort for extended work sessions. AltAir is the epitome of versatility, offering an inviting seat in any setting.

## Our Philosophy.

### Embracing Joy in Design

At Klassworks, we believe that joy is the foundation of innovation and productivity. We've taken it upon ourselves to challenge the norms of office furniture. No more dreary office furniture; instead, we bring a collection that's designed to inspire happiness and creativity in your workspace.

### German Precision, South African Spirit

Our partnership with Stefan Brodbeck, an award-winning German designer, has led to a range of office furniture that defy convention. They're youthful, spirited, and uncompromisingly comfortable – a true blend of meticulous German design and the vibrant South African approach to craftsmanship.

## Our Commitment.

### Crafted for Global Standards

Klassworks is a testament to world-class quality made entirely in-house. Our dedicated team in South Africa, from product development to logistics, upholds the highest global standards in creating office furniture that aren't just furniture but are a catalyst for positivity and productivity.
