

Everflow's New Communication Hub

Your all-in-one solution
for communication
and Offer sharing.

Effortless Offer Sharing

- Share Offer details, including tracking links, creative assets, requirements, & payouts
- Send targeted Partner messages
- Simplify Offer promotions for Partners with everything needed to drive traffic

HTML-Free Message Builder

- Professional emails—no coding required
- User-friendly interface
- Consistent display across inboxes

Simplified Audience Targeting

- Create & manage targeted lists for communications
- Utilize rules/conditions to define recipient groups
- Preview & refine audience selections for optimal reach

Centralized Communication Platform

- Access emails, direct messages, auto-notifications
- Save templates, review sent messages, and more!
- Manage all communication from a single hub
