GIN & TONIC

AROMATIC

HENDRICKS 8.35

The iconic medicine bottle shape of the Hendrick's Gin lets you know that you're in for a quality Gin experience; and with Hendrick's you get an unexpected infusion of cucumber and rose petals that results in a most iconic gin.

MONKEY 47 8.85

Complex, this is a powerful gin with a lot going on. Big flavours combine spice, fruit and herb flavours into a glorious flavour profile. Understandably complex, the palate finds a delicate balance between notes of juniper, citrus, sweet flowers, bitter fruit and peppery spices.

PLYMOUTH 8.15

Plymouth Gin is an award-winning gin distilled using the same blend of seven exotic botanicals, soft Dartmoor water and pure grain alcohol since 1793.

FRUITY

MALFY LIMONE / MALFY ARANCIA / MALFY ROSA

Limone - A zesty gin with notes of lemon, coriander seeds, and pine. 8.35

Arancia - A gin with citrus aromas, a refreshing citrus sweetness, and notes of vanilla and grapefruit.

Gin Rosa - A gin with notes of pink grapefruit, rhubarb, lemon peel, juniper, and traditional botanicals

WHITLEY NEILL - RHUBARB & GINGER

The essence of rhubarb adds a tart crisp edge to our smooth gin base whilst the ginger extract warms the palate for a full-bodied finish. 8.10

Our standard gin serve is 25ml with Fever-Tree tonic.

GIN & TONIC

BOMBAY SAPPHIRE

Strong citrus nose with a good bit of juniper and sharp ethers. There's a sweetness and a distinct floral fruity character in the background: bright and strongly aromatic that sets it apart especially from typical London Dry style gins.

7.60

TANQUERAY

Tanqueray London Dry Gin is an enduring classic that most drinkers have already formed an opinion on. Fans of gin and classic gin, will appreciate the drier, more juniper-forward profile which stands in contrast to many of its peers which balance juniper with citrus and additional spice botanicals.
